# Front Line Essex

**Martin Middlebrook**

## **Front Line Essex:**

**Pioneers of Aerial Combat** Michael Foley, 2013-07-16 When the Wright Brothers made their first flight in the early years of the twentieth century it sparked the imagination of those who wanted to fly both in their country and around the world In Britain however the spark wasn't strong enough to light a fire and it was in other parts of Europe notably France where flight began to develop seriously Early pioneers of flight faced a high level of danger and many died in pursuit of fulfilling their dream Although aircraft design had made incredible progress by the time of the outbreak of war accidents still occurred on a regular basis For some time as many pilots died in accidents as they did in combat This publication consolidates a range of stories insights and facts that when combined offer a vivid impression of events as they unfolded The chaos stirred up during the First World War and the scramble to develop aircraft in response to the threat to homeland security is eloquently relayed as are the battles that characterized this conflicted era The reality of conflict gave aviation engineers and designers the opportunity to test their craft in the harshest of environments pushing the benchmark ever higher in terms of what could be achieved Sure to appeal to aviation enthusiasts and historians alike this work offers the reader a full account of the developmental early days of flight

**Rise of the Tank** Michael Foley, 2014-09-01 Rise of the Tank will be concentrated on the period of the development of the tank and its use in the First World War This will appeal to those interested in new developments in war and those interested in the First World War generally The book will be especially relevant due to the forthcoming centenary of the beginning of the war and for this reason it will be easy to promote the book as there will be a lot of media interest Using the resources of the Imperial War Museum The National Archives and the Tank Museum Rise of the Tank will have lots of information available on the development and use of the early tanks as well as personal reminiscences of those who fought in them The author Michael Foley has also collected a great deal of material from the period such as the First World War field service pocket book of a 2nd lieutenant of the 10th Tank Battalion and copies of various magazines of the period He will have also be accessing First World War newspapers to find original and rare archive sources

**Britain's Railway Disasters** Michael Foley, 2014-01-15 Passengers on the early railways took their lives in their hands every time they got on board a train It was so dangerous that they could buy an insurance policy with their ticket There seemed to be an acceptance that the level danger was tolerable in return for the speed of travel that was now available to them British Railway Disasters looks at the most serious railway accidents from the origins of the development of the train up to the present day Seriousness is judged on the number of those who died Information gleaned from various newspaper reports is compared with official reports on the accidents The book will appeal to all those with a fascination for rail transport as well as those with a love of history Michael Foley examines the social context of how injuries and deaths on the railways were seen in the early days as well as how claims in the courts became more common leading to a series of medical investigations as to how travelling and crashing at high speed affected the human body

**The First Day**

**on the Somme** Martin Middlebrook, 2016-06-30 A history of the British Army's experience at the Battle of the Somme in France during World War I After an immense but useless bombardment at 7.30 AM on July 1 1916 the British Army went over the top and attacked the German trenches It was the first day of the battle of the Somme and on that day the British suffered nearly 60 000 casualties two for every yard of their front With more than fifty times the daily losses at El Alamein and fifteen times the British casualties on D day July 1 1916 was the blackest day in the history of the British Army But more than that as Lloyd George recognized it was a watershed in the history of the First World War The Army that attacked on that day was the volunteer Army that had answered Kitchener's call It had gone into action confident of a decisive victory But by sunset on the first day on the Somme no one could any longer think of a war that might be won Martin Middlebrook's research has covered not just official and regimental histories and tours of the battlefields but interviews with hundreds of survivors both British and German As to the action itself he conveys the overall strategic view and the terrifying reality that it was for front line soldiers Revised in 2016 from the 1971 original edition Praise for *The First Day on the Somme* The remembrance of those lives difficult as it may be will start in earnest now with this wonderful book It's almost like being there yourself enough said Books Monthly UK      *British Battalions in France & Belgium* Ray Westlake, 1997-09-05 The author has painstakingly compiled a comprehensive compendium of the exact movements of every regiment involved on the various battlefields in France and Flanders during World War One      **London Under Attack** Michael Foley, 2011-11-08 London has been under attack for literally centuries London Under Attack charts the military history of the capital from Roman times until the Second World War Throughout this period London was at the centre of hostilities not always instigated by foreign enemies but more often from its own inhabitants or those from other parts of Britain As well as the terrible Blitz on London during the Second World War earlier conflicts which made an impact on the city are also documented including the Civil Wars of twelfth and seventeenth centuries the war between King John and the barons uprisings against the poll tax the uprising against Queen Mary's marriage to Philip of Spain the Gordon Riots the riots and deaths at the funeral of Queen Caroline in the nineteenth century and numerous other uprisings and conflicts that have mainly been forgotten in the twenty first century London Under Attack is a must read for all those interested in military history as well as the turbulent history of our nation's capital      *British Battalions on the Somme* Ray Westlake, 2004-06-06 An account of the infantry battalions belonging to regiments of the British Army and the 63rd Royal Naval Division during their service in the Somme area Although seventy eight years have passed since the Battle of the Somme was fought interest in this the bloodiest battle of the First World War has never waned Ray Westlake has collated all the information so painstakingly gathered to produce a comprehensive compendium of the exact movements of every battalion involved in the battle This book is invaluable not only to researchers but to all those visiting the battlefield and anxious to trace the movements of their forebears      *The English Civil War* Peter Gaunt, 2014-05-09 Sir God hath taken away your eldest son by a cannon shot It brake his leg We were

necessitated to have it cut off whereof he died In one of the most famous and moving letters of the Civil War Oliver Cromwell told his brother in law that on 2 July 1644 Parliament had won an emphatic victory over a Royalist army commanded by King Charles I's nephew Prince Rupert on rolling moorland west of York But that battle Marston Moor had also slain his own nephew the recipient's firstborn In this vividly narrated history of the deadly conflict that engulfed the nation during the 1640s Peter Gaunt shows that with the exception of World War I the death rate was higher than any other contest in which Britain has participated Numerous towns and villages were garrisoned attacked damaged or wrecked The landscape was profoundly altered Yet amidst all the blood and killing the fighting was also a catalyst for profound social change and innovation Charting major battles raids and engagements the author uses rich contemporary accounts to explore the life changing experience of war for those involved whether musketeers at Cheriton dragoons at Edgehill or Cromwell's disciplined Ironsides at Naseby 1645

**The Somme** Robin Prior, Trevor Wilson, 2016-04-26 Published in a new edition on the centenary of the seismic battle this book provides the definitive account of the Somme and assigns responsibility to military and political leaders for its catastrophic outcome A magisterial piece of scholarship It is a model of historical research and should do much to further our understanding of the Great War and how it was fought Contemporary Review Revisionist history at its best Library Journal starred review A major addition to the literature on the military history of the Great War Jay Winter Essex's Military Heritage Adam Culling, 2023-04-15 Explore Essex's local military heritage from Roman times to the present day in this illustrated guide

**Gaza 1917: First Battle 26 March and Second Battle 19 April** Martin Glen, 2018 The Palestine Campaign of World War One has been largely ignored in the popular press and this book seeks to bring two major battles into focus While there is considerable detail aimed at military enthusiasts the personal aspect provided by never before published quotations and interviews with survivors and relatives of some of those killed will engage a wider audience Extensive appendices cover the composition of the divisions which took part comprehensive casualty charts and complete gallantry awards as well as many photographs which have never been published before

**British Regiments at Gallipoli** Ray Westlake, 1996-06-01 Following the success of British Battalions on the Somme the author has produced a source book of the same quality on the Gallipoli Campaign It has come about as a result of many years of enquiries from researchers and family historians *Reports of Cases at Law and in Equity Determined by the Supreme Court of the State of Iowa* Iowa. Supreme Court, 1910 *Reports of Cases in Law and Equity Determined in the Supreme Court of the State of Iowa* Iowa. Supreme Court, 1910 **None Have Done Better** Jonathan Spurrell, Laurie

Holmes, Michael Green, Nicole Wright, 2018-10-17 Many schools may have done as well but none have done better Percy Shaw Jeffrey Echoing the words of Percy Shaw Jeffrey the headmaster of Colchester Royal Grammar School at the start of the First World War this book tells the story of the global conflict through the lives of the former pupils and teachers who are commemorated on the school's war memorial It retraces their early days in the classroom and on the playing field and their

actions during some of the major events and battles of the First World War from Ypres and the Somme to Palestine and Egypt as well as at sea and in the air Published to coincide with the centenary of the armistice this collection of biographies provides a fascinating and timely account of the experiences of a generation of Old Colcestrians whose legacy of service and courage is unmatched Additional essays examine the historical context and other remembrance events by the school community including visits to the graves and memorials of the fallen This record of their lives ensures that their ultimate sacrifice will never be forgotten **Military Operations, France and Belgium, 1914-1918** Sir James Edward

Edmonds,1947 Decisive Battles of the English Civil War Malcolm Wanklyn,2006-10-19 In this stimulating and original investigation of the decisive battles of the English Civil War Malcolm Wanklyn reassesses what actually happened on the battlefield and as a result sheds new light on the causes of the eventual defeat of Charles I Taking each major battle in turn Edgehill Newbury I Cheriton Marston Moor Newbury II Naseby and Preston he looks critically at contemporary accounts and at historians narratives explores the surviving battlegrounds and retells the story of each battle from a new perspective His lucid closely argued analysis questions traditional assumptions about each battle and the course of the war itself *The History of the Second Division 1914-1918 - Volume 2* Everard Wyrall,2013-01-02 Of the six pre war regular divisions only two 2nd and 5th published a detailed history of their part in the Great War The 2nd Division landed in France with the original BEF as part of I Corps Haig between 11 and 16 August 1914 It was not directly engaged at Mons and such casualties as were sustained 10 killed 80 wounded were from artillery fire During the retreat it was engaged at Landrecies 4th Guards Brigade and Villers Cotterets but its first major battles were at the Marne and the Aisne and subsequently it fought in all the battles of First Ypres During the three months September to the end of November 1914 it suffered some 8 500 casualties At the end of 1914 the division moved south to the Bethune sector where it remained throughout 1915 still in I Corps It was at Festubert Loos and the Hohenzollern Redoubt which in all cost almost 9 000 casualties In February 1916 it moved down to the Vimy sector in IV Corps where it stayed till July the next move was to the Somme Here the division had a protracted spell till March 1917 during which time it was in action at Delville Wood Guillemont and the Ancre incurring nearly 8 000 casualties The 2nd was one of the few divisions not involved Third Ypres July November 1917 but it had earlier taken part in the April May Arras offensive and later in November December in the Battle of Cambrai Throughout 1918 the division was in the line for much of the time in the German offensive and in the Advance to Victory its final action was the Battle of the Selle 23 25 October The final casualty figure was around 45 000 Seventeen VCs were won and two of the commanders went on to greater things Monro to Commander in Chief India and Horne to command of First Army The division took part in the march to the Rhine occupying the area around Cologne In March 1919 the division ceased to exist as such when it was redesignated The Light Division The history is a very good one by probably the most prolific of all the authors of formation and regimental histories of the Great War The detailed account is easy to follow and the Wyrall has taken care to name many individuals in

the actions and events he is describing Casualty details are given in appendices and in the text and there is a nominal roll of divisional staff with all the changes throughout the war *Cromwell at War* Martyn Bennett,2017-06-30 Martyn Bennett here provides the first military biography of Cromwell in the context of the seventeenth century Military Revolution After commanding a small troop in 1643 and without prior military experience Cromwell rose to lead the cavalry regiments of the Eastern Association Army and the New Model Army to final victory at Worcester in 1651 and sealed the victory of the Parliamentary forces in Ireland and Scotland becoming Lord General in 1650 Martyn Bennett analyses Cromwell s military talents and generalship in addition to his well attested powerful and even brutal discipline and religious fervour He examines the controversial Irish campaigns as well as modern accusations of genocide In providing new perspectives on Cromwell s military career Bennett adds to our understanding of England s only non royal head of state Fighting Techniques of the Early Modern World Christer Jorgensen,2006-07-11 Fighting Techniques of the Early Modern World describes the combat techniques of soldiers in Europe and North America from 1500 to 1763 The book explores the unique tactics required to win battles in an era where the musket increasingly came to dominate the battlefield and demonstrates how little has changed in some respects of the art of war

## Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Front Line Essex**

In a global inundated with displays and the cacophony of immediate transmission, the profound power and mental resonance of verbal artistry frequently diminish into obscurity, eclipsed by the continuous barrage of sound and distractions. However, nestled within the lyrical pages of **Front Line Essex**, a interesting function of literary brilliance that pulses with natural emotions, lies an memorable trip waiting to be embarked upon. Published by a virtuoso wordsmith, that magical opus instructions visitors on a psychological odyssey, lightly exposing the latent possible and profound affect embedded within the elaborate internet of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is central themes, dissect its interesting publishing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.

## **Front Line Essex Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Front Line Essex PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Front Line Essex PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Front Line Essex free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

## **FAQs About Front Line Essex Books**

1. Where can I buy Front Line Essex books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Front Line Essex book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Front Line Essex books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
