Getting Back At The Traffic Warden:

Traffic Wardens Joel Richman,1983 **Dance for your Daddy** Katherine Shellduck,2011-11-30 This morning I found this bag I had been looking for sweets I put my hand in the bag and felt a sticky liquid on my fingers then I looked at it A red smear Then I looked in the bag bloody knives and clothes It didn't feel good What did it mean I don't know There are no answers I dare not ask the questions Growing up in poverty in London's East End Kathy was eight years old when her father forced her mother into prostitution When their mother fled leaving Kathy and her sisters behind the girls stuck fiercely together while being passed from children's homes to boarding schools Then on a rare trip home Kathy looked out the window to see a man firing four shots into a Rolls Royce It took several seconds for her to realise the victim was her mother's lover and the gunman was her father Kathy began her haunting memoir when as an adult she travelled back to London to find out who her gangster father really was A compelling memoir of an extraordinary childhood Dance for your Daddy is a true story of the effects on one family of poverty and affluence violence and love **A Nasty Dose of the Yawns: An Adventure with Dyslexia and Literacy Difficulties** Plum Hutton,2022-05-11 Zack has always found school difficult Even though he is good at maths and excellent at flicking elastic bands trying to read and write is like trying to fight a kraken One day when he discovers the rest of his class infected by a mysterious sleeping sickness Zack draws on his strengths resulting in some unexpected consequences This engaging story suitable for readers aged 8-12 explores some of the challenges faced by learners who find literacy unusually difficult Alongside the practical difficulties of living in a world that assumes good levels of literacy it explores some of the psychological impacts of struggling to achieve a skill that most children acquire with relative ease Ultimately it shows children that they can draw on their strengths and overcome the challenges in their way Also available as a set with a supporting guide this book operates as a fun and entertaining standalone story as well as an educational opportunity The range of vocabulary means it can be used flexibly for independent paired or whole group reading It is a must have book for every classroom **Hold My Hand** M.J. Ford,2018-03-08 Superb gritty and realistic MEL SHERRATT million copy bestseller How long do you hunt for the missing *Killers Behind Bars* Kate Kray,2013-02-14 When Kate married gangster Ronnie Kray he introduced her to the most deadly criminals ever known She persuaded them to talk about their crimes fears and dreams The result is a book offering an authentic shocking and gripping insight into the criminal mind In this true crime classic Kate Kray delves into the world of some of Britain's most dangerous prisoners conducting first hand interviews with them in order to better understand their crimes From cold contract killings to crimes of passion this is a fascinating insight into the minds of murderers who have been punished with the longest sentence of all Getting Back at the Traffic Warden John FENTON,1985 *Outsider in Amsterdam* Janwillem van de Wetering,2003-07-01 Van de Wetering is doing what Simenon might have done if Albert Camus had sublet his skull John Leonard On a quiet street in downtown Amsterdam a man is found hanging from the ceiling beam of his bedroom upstairs from the new religious society he founded

a group that calls itself Hindustani and supposedly mixes elements of various Eastern traditions Detective Adjutant Gripstra and Sergeant de Gier of the Amsterdam police are sent to investigate what looks like a simple suicide but they are immediately suspicious of the circumstances This now classic novel first published in 1975 introduces Janwillem van de Wetering's lovable Amsterdam cop duo of portly wise Gripstra and handsome contemplative de Gier With its unvarnished depiction of the legacy of Dutch colonialism and the darker facets of Amsterdam's free drug culture this excellent procedural asks the question of whether a murder may ever be justly committed

Run Roberto Di Sante, 2020-11-09T00:00:00+01:00 A man falls from the fourth floor It is the only choice he has left to stop suffering As he falls he announces his last wish but then his body freezes a few centimetres above the ground A thread of light descends from above him he clings to it and tries to escape from the dark well of depression that has swallowed him Aldo Amedei is a successful journalist who has lost everything even his dreams The past is regret the present is populated by monsters and ghosts but he tries to follow that thread of light that crazy desire that kept him alive by running the New York marathon He doesn't even know why he thought of it after all he is a man who takes his car to drive a hundred metres He starts running like an escaped prisoner hunted by his nightmares He falls he gets up he falls again and gets back on his feet And each time it hurts more and more But he doesn't let go For love and with the love of Teresa his young partner Spitting out his soul along streets full of toil angels and vultures he comes back to life to passion and to dreams He's helped by a doctor a unexpected coach and a grandson even crazier than himself He becomes another person embedding people into his heart along with laughter surprises and new emotions But his enemies don't give up they chase him determined to bring him back into the black well of depression There's everything still to play for as in the last challenge between life and death the 42 kilometres and 195 metres of the New York marathon Against the wind and against everything From Hell to Central Park

The Midnight Mayor Kate Griffin, 2024-09-24 It's said that if the ravens ever leave the Tower of London then the Tower will crumble and the kingdom will fall Resurrected sorcerer Matthew Swift is about to discover that this isn't so far from the truth One by one the protective magical wards that guard the city are falling the London Wall defiled with cryptic graffiti the ravens found dead at the Tower the London Stone destroyed This is not good news This array of supernatural defenses a mix of international tourist attractions and forgotten urban legends formed a formidable magical shield one that could protect London from the greatest threat it has ever known But what could be so dangerous as to threaten an entire city Against his better judgment Matthew Swift is about to find out
