Getting It All Together In Daniel And Revelation:

Getting it All Together in Daniel and Revelation Marian Berry,1994-01-01 **Getting It All Together in Daniel and Revelation** MARIAN G. BERRY,2024-03-07 This book is a unique effort not so much to ferret out all the details of each verse of Scripture but rather to discover the linkage between verses or passages and the relationships which exist between the books of Daniel and Revelation *The Non-Prophet's Guide to the Book of Daniel* Todd Hampson,2023-10-03 Finding Stability in Chaos and Encouragement from God's Promises In today's increasingly unstable culture we need the wealth of wisdom available in the book of Daniel which teaches us to live boldly and joyfully for the Lord even in the most difficult circumstances Through Daniel you'll discover what it means to stand for righteousness in a world filled with compromise And you'll learn how to do so winsomely in a way that both enables others to gain a clear understanding of who God is and compels them to seek after Him Explore the many vivid prophecies Daniel had about the days to come prophecies that shed much light on what will happen during the end times and are deeply practical for our day You will find your faith strengthened as you see the many ways that God has kept His promises and will continue to do so God used Daniel's faithfulness and courage powerfully in his day and He can do the same through our lives today as we apply the lessons meant to help us fulfill our role in God's divine story right now Why I Take the Bible Seriously But Not Literally Eugene C. Rollins,2013 As a pastor I have a dual role that of a prophet and a priest The prophet confronts the people and the priest comforts the people I am to comfort the troubled and trouble the comfortable In relationship to the Bible the dual struggle is clear As the priest I take the Bible seriously because it changes lives first sermon I have never heard anyone give testimony that reading Plato's *The Republic* Virgil's *Aeneid* Homer's *Odyssey* Cicero's *Moral Ethics* or John Stewart Mill's *Liberty* changed their lives But thousands of people have given testimony of how reading the Bible has changed their lives forever As the prophet I propose to you that no book has been more abused than the Bible or more misunderstood The Bible has been a playground for lunatics profit for the charlatans a profession for the clergy a problem for theologians a puzzle for the general public and placid for the masses I believe if a person will read the Bible interpretatively and intelligently it will be read seriously respectfully and reverently thereby becoming the living word of God Gene Rollins Author **Putting It All Together** Henry T. Hudson, Henry Hudson,2008-05 This book *Putting It All Together* is a collection of studies that appeared in a serial form in Dr Hudson's monthly Bible study mailings They attempt to show how certain key words dispersed throughout the Bible interrelate The end result serves to highlight the unity and continuity underlying the whole of Holy Scripture Also by applying the hermeneutical principle of progressive revelational development he explains not only how the various parts and doctrines integrate but how they point toward one grand finale *The Vile Man of Daniel* Robert Pelletier,2018-08-03 *The Vile Man of Daniel* examines all scriptures related to the Vile Man or beast who arises in the final days of man's rule on the earth It is a fresh look at the scriptures and only the scriptures without the shroud of religion All

scriptures written about the beast must fit together perfectly the Old Testament the Gospels and the New Testament There can be no contradictions The book suggests that the missing ingredient with respect to proper interpretation is the hidden mystery of the one body of Jesus Christ which is not accounted for in the Old Testament but kept hidden in God until revealed to the apostle Paul in the first century Once this is understood whole sections of scriptures become plain and clear and perfect

Toward Minority Biblical Criticism Randall C. Bailey, Tat-siong Benny Liew, Fernando F. Segovia, 2021-01-20 Critics from three major racial/ethnic minority communities in the United States—African American, Asian American, and Latino American—focus on the problematic of race and ethnicity in the Bible and in contemporary biblical interpretation. With keen eyes on both ancient text and contemporary context, contributors pay close attention to how racial/ethnic dynamics intersect with other differential relations of power such as gender, class, sexuality, and colonialism. In groundbreaking interaction, they also consider their readings alongside those of other racial/ethnic minority communities. The volume includes an introduction pointing out the crucial role of this work within minority criticism by looking at its historical trajectory, critical findings, and future directions. The contributors are Cheryl B. Anderson, Francisco O. García-Treto, Jean Pierre Ruiz, Frank M. Yamada, Gale A. Yee, Jae Won Lee, Gay L. Byron, Fernando F. Segovia, Randall C. Bailey, Tat-siong Benny Liew, Demetrius K. Williams, Mayra Rivera, Evelyn L. Parker, and James Kyung Jin Lee. *A Commentary on Daniel* Leon J. Wood, 1998-06-25
