The Third Floor Movie Mystery Daniel McTeigue,2014-08-18 When my band Third Floor broke up in December of 1989 I got into renting movies on the weekend I had gone about 3 years not watching any movies because I was so busy with music VCR s were new and renting movies was the new thing I started hearing the phrase Third Floor in a lot of movies I thought I may have been losing my mind so I started a list of the movies where I heard Third Floor in them I also counted movies where there were scenes that the director did a close up of a door with a 300 series number because I figured that most 300 series rooms are on the Third Floor My list grew and grew Twentythree years later with me seemingly unable to get a full time job I dug out the old lists and found out that I had about 90 movies So I decided it was book worthy While writing the book the movie total grew to 115 movies There is some sort of conspiracy going on here but I don t know what it is The whole first half of the book is talking about how I always dreamed of being a drummer in a band and I tell my life story of what it

was like to bring a dream to fruition and how I co formed the band Third Floor and then I transition into the movie topic If you re a person who loves movies you ve got to get this book
