Getting Back Together Linda Johnson, 2021 Considering getting back with an ex partner after a bad breakup can mean a lot of changes for both of you if you want to make the relationship work this time around When one person has walked away from a relationship and then realizes they have made a mistake or would like to give it another shot it may take a while for the relationship to get back on track due to the bruised ego of the other It is important not to allow things to be the same as they were before you broke up the first time If one of you has an explosive temper for example hopefully the time away from each other has changed that kind of attitude If one of you was a frivolous spender hopefully you have learned that you need to get your finances in order before you decide to get back with your ex Likewise if it was your ex who was spending frivolously would you be able to put up with that if they do not want to change You must take into consideration all of these questions before you start trying to get back with your ex partner If you are happy to make changes and will do anything to get him back if you are serious about how much you miss him then by all means give it another chance

Open Socrates Agnes Callard, 2025-01-14 A New York Times Book Review Editors Choice C harming intelligent Open Socrates encourages us to recognize how little we know and to start thinking Jennifer Szalai New York Times An iconoclastic philosopher revives Socrates for our time showing how we can answer and in the first place ask life's most important questions Socrates has been hiding in plain sight We call him the father of Western philosophy but what exactly are his philosophical views He is famous for his humility but readers often find him arrogant and condescending We parrot his claim that the unexamined life is not worth living yet take no steps to live examined ones We know that he was tried convicted and executed for corrupting the youth but freely assign Socratic dialogues to today's youths to introduce them to philosophy We've lost sight of what made him so dangerous In Open Socrates acclaimed philosopher Agnes Callard recovers the radical move at the center of Socrates thought and shows why it is still the way to a good life Callard draws our attention to Socrates startling discovery that we don't know how to ask ourselves the most important questions about how we should live and how we might change Before a person even has a chance to reflect their bodily desires or the forces of social conformity have already answered on their behalf To ask the most important questions we need help Callard argues that the true ambition of the famous Socratic method is to reveal what one human being can be to another You can use another person in many ways for survival for pleasure for comfort but you are engaging them to the fullest when you call on them to help answer your questions and challenge your answers Callard shows that Socrates method allows us to make progress in thinking about how to manage romantic love how to confront one's own death and how to approach politics In the process she gives us nothing less than a new ethics to live by

Timeless Insights from the Book of Judges Brian Kennedy Sr., 2023-08-01 As we do life in a post quarantine world we seem okay on the surface but we are boiling inside Our social gages are sending warnings regarding our imminent spiritual and social malfunctioning People are subject to pull the trigger in a mass shooting cancel someone because they do not fully embrace their political religious or social ideologies When we misspeak or misstep we expect understanding and coddling but we have zero mercy for errors in others do not mess up the zero mercy person's Starbucks order or else We seem to be increasingly desperate discouraged by the higher cost of living and searching for meaningful personal connections but we are unsure of who to connect with and trust We are clearly wiser technologically economically and structurally but seemingly more barbaric socially We are not being very loving

toward each other Have we compromised so slowly and surely we do not realize have far off center we really are Has compromise blinded us and made us callous Do we care about our social gages warning us about our spiritual and social malfunctioning Do we care about compromise in the culture when God wants to use us to facilitate Him establishing a love relationship with the people in the culture In all the drama presented in the book of Judges we see God doing His eternal work in a compromising culture Despite their behavior God does not give up on His children but prepared ordinary people like you and me to participate in His eternal work in a compromising culture *1-2-3 Magic for Teachers* Thomas
