Getting Rid Of Richard A Novel:

Getting Rid of Richard Joyce Elbert, 1974-01-01 Reinventing Richard Nixon Daniel Frick, 2023-04-21 Nixon s the One proclaimed his campaign paraphernalia Tricky Dick retorted his detractors From presidential savior for conservative America to be noire for the political Left the Richard Nixon persona has worn many masks and labels In fiction and poetry and pop songs in television and film no other national political figure has so thoroughly saturated our public consciousness with so many contrasting images Focusing on the process of Nixon's continuous reinvention Daniel Frick reveals a figure who continues to expose key fault lines in the nation's self definition Drawing on references ranging from All in the Family to Zappa and the Mothers of Invention he shows how Nixon has become one of America's most durable and multifaceted icons in the ongoing and fierce debates over the import and meaning of the last sixty years of national life Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon's state funeral at which Bob Dole's eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick's probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements Whether your image of Nixon is shaped by his autobiography Six Crises Oliver Stone's surprisingly sympathetic film Nixon John Adams's landmark opera Nixon in China or by the saga of Watergate Reinventing Richard Nixon expands on all perspectives It shows how through these contradictory mythic stories we continue to reinvent much like Nixon himself our own sense of national Richard Mallinson's Fast Fiction Richard Mallinson, 2012-12-14 At only a page each in length Richard identity Mallinsons elegantly structured short stories are a pithy fast fiction for a modern multi media age A rapid succession of carefully worked observations the stories read like a dynamic anthology of lifes collisions and interactions its projected plans and unexpected rotations. There is a great joy in the subverted the interviewer becomes the interviewee the private detective becomes the conspirator as well as an interest in the open ended Possibility abounds for these are always tales of the present the past is unclear and the future unwritten Adhering to the strict one page format the writing is marvelously precise it is highly disciplined but infinitely rich conjuring the most unique and sharply observed characters with remarkably few words If indeed we read fiction in order to meet individuals as the character Tolson declares in Mallinsons Tolsons Creed then in this anthology we are introduced to a plethora of distinct personalities rendered all the more compelling by their relentless
