Congress, 1964      1967 Annual Supplement John B. Simeone, Alfred de Grazia, Carl E. Martinson, 2013-12-01      Presentation Outlines and Reading List Industrial College of the Armed Forces (U.S.), 1966      **An Introduction to Russian History** Robert Auty, Dimitri Obolensky, 1976      **National Defense Resources Conference** Industrial College of the Armed Forces (U.S.), 1967      **The Government of the Soviet Union** Gwendolen Margaret Carter, 1972      **Special Bibliography Series** , 1957      The Separation of the Party and the State Vinayank N. Srivastava, 2019-05-29 First published in 1999 this volume is the first full length study of one of the most important political institutions of the erstwhile Soviet political system the Central Committee of the Communist Party of the Soviet Union CPSU The originality of this work lies in its main argument that the central reform during Perestroika was that of the Party and the State a reform which ultimately resulted in the CPSU and its institutions the Central Committee being one of the most vital among them firstly surrendering the monopoly over political power and control over the instrumentalities of the State and secondly systematically de institutionalising and dismantling the formidable Soviet political system The seeds of transformation and the shape of politico economic and socio cultural systems that emerged in successor States were laid down during the Soviet era in particular during Perestroika itself The continuity is therefore as striking as the change if not more so      Beyond Sovietology Susan Gross Solomon, 2019-07-03 This

volume a product of the Soviet Domestic Politics workshop sponsored by the Social Science Research Council marks an end and a new beginning The end of course is that of Sovietology now permanently overtaken by events The beginning encompasses not only a radical multiplication of subjects for analysis the post Soviet states but also the arrival of a new generation of scholars entering the field at its turning point As the essays in this collection demonstrate they bring fresh contemporary social scientific questions and methods to an unprecedentedly accessible universe of diverse social groups and societies once subsumed under the Soviet rubric Their work enriches not only post Soviet studies but the entire range of comparativist work in the social sciences Among the authors included here are Jane Dawson Ellen Hamilton Joel Hellman Mark Saroyan Joseph Schull and Michael Smith 1974 *Annual Supplement* Joan Schmitz Bergholt, 2013-12-21 **Marxist Governments** Bogdan Szajkowski, 1981-06-18 **Catalogue, 1926-1968** Great Britain. Foreign Office. Library, 1972 *Communist Party Membership in the U.S.S.R.* Thomas Henry Rigby, 2019-03-26 In this comprehensive and latest statistical profile of the membership of the Communist Party during the first half century of the Soviet regime Professor Rigby analyzes the history of party recruitment and composition Since the party makes vital contributions to the performance of several basic tasks within the Soviet political system the author interprets his data mainly in functional terms He identifies and evaluates the influence of these functional considerations on recruitment policies and on the changing patterns of membership and determines the priorities assigned to different functions under changing circumstances T H Rigby is Professor of Political Science Research School of Social Science Australian National University Studies of the Russian Institute Columbia University Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **External Research List**, 1962
