Idioms in the Bible Explained George Mamishisho Lamsa,1973 **Idioms in the Bible Explained and a Key to the Original Gospels** George M. Lamsa,2024-03-19 Explanations of nearly 1 000 ancient idioms metaphors and figures of speech in the Old and New Testaments from a renowned Bible translator George M Lamsa who was raised speaking Aramaic in a community that followed customs largely unchanged since the times of Christ offers accurate translations of important idioms metaphors and figures of speech found in the Scripture and provides clear explanations of their meaning in biblical context Just as Shakespeare Milton and Browning wrote in the vernacular for English speaking people Moses the prophets and the apostles wrote for their own people in the plain language of their times so that even the unlearned might understand God s Word Over the centuries inaccurate translations and misunderstandings of customs and concepts have led to difficulties in bringing the biblical message to contemporary English speaking readers For example when a man says to Jesus let me bury my father Lamsa points out that this expression means Let me first take care of my father until he dies Traditionally scholars assumed that this man s father was dead and that Jesus was not interested in his burial Lamsa s scholarship offers a more accurate understanding of the intent and spirit of this passage *Idioms in the Bible Explained and a Key to the Original Gospels* goes far in correcting such errors that have crept into Biblical scholarship Obscure and difficult passages from both Old and New Testaments are listed and compared with the King James version though it will be helpful when used with any English version These make clear the original meaning of such ancient idioms and assure that our grasp of the biblical message is more sound and rewarding To further uncover the original teachings of Scripture Lamsa discusses at greater length such topics as The Language of Jesus Aramaic Phraseology The Sayings of Jesus Early Translations and more *Idioms of the Bible Explained With Vignettes* George M. Lamsa,Alice F. Jones,Daniel J. Mahar,2002-08-01 For the first time the idioms and metaphors in the bible are illustrated and explained in selected vignettes [Understanding the Holy Scriptures The Word that Transforms](#) Ary S. Jr.,2024-02-29 The author reports that knowledge of the Word of God exerts a transformative power emphasizing its ability to impact and change lives Highlighting the important and profound impact of engaging with Scripture *An Introduction to the Critical Study and Knowledge of the Holy Scriptures* Thomas Hartwell Horne,1834 **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do

today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions **The Cumulative Book Index** ,1979 A world list of books in the English language **An Introduction to the Critical Study and Knowledge of the Holy Scriptures ... Third Edition, Corrected, Etc** Thomas Hartwell HORNE,1827 **The Publishers Weekly** ,1972 **Why Early A.A.
