When Animals Dream David M. Peña-Guzmán,2023-09-26 A spellbinding look at the philosophical and moral implications of animal dreaming Are humans the only dreamers on Earth What goes on in the minds of animals when they sleep When Animals Dream brings together behavioral and neuroscientific research on animal sleep with philosophical theories of dreaming It shows that dreams provide an invaluable window into the cognitive and emotional lives of nonhuman animals giving us access to a seemingly inaccessible realm of animal experience David Pe a Guzm n uncovers evidence of animal dreaming throughout the scientific literature suggesting that many animals run reality simulations while asleep with a dream ego moving through a dynamic and coherent dreamscape He builds a convincing case for animals as conscious beings and examines the thorny scientific philosophical and ethical questions it raises Once we accept that animals dream we incur a host of moral obligations and have no choice but to rethink our views about who animals are and the interior lives they lead A mesmerizing journey into the otherworldly domain of nonhuman consciousness When Animals Dream carries profound implications for contemporary debates about animal cognition animal ethics and animal rights challenging us to regard animals as beings who matter and for whom things matter *Bare Bones* Kaarin Alisa,2015-11-24 Known to many as Jesus Bare Bones is a first person account of the first forty years of Yeshuas life that reads like a riveting adventure novel This is Yeshuas storyfull of deep humanity and passionas revealed to Kaarin Alisa through her lifelong conversations with him Yeshua lived in turbulent times and enemies stalked him from the day he was born This is Yeshuas life as he recalls it without the shroud of religious constructs popular myth or dogma overshadowing his story Relinquish what you think you know about this man in favor of a richer more compelling truthof who he is how he lived why he did what he did and what he is doing today Learn how Yeshua suggests people can propel their lives toward healing love and cohesiveness He doesnt offer himself as a savior rather he assures us we are divine beings too and he promises to reveal to you how it feels to be loved beyond measure The Hippo Pool Wendy Squair,2009 Three brothers have spent their childhood in a rural village near the River

Zambezi in central Africa The Hippo Pool is a special place where they have always gone to fish and to confide in each other Now Baba their father has fallen ill with a mysterious disease and nothing will ever be the same again **The Saturday Evening Post** ,1921 *Daddy, There's a Hippo in the Grapes* Lucy M. Dobkins,1992 Twelve year old Ibrahim trying to be responsible reports to his family that hippos are invading their Kenya farm but no one believes him *I Have Heard the Mermaids Singing* Christopher Bollas,2005 This dark comic novella follows the life of the psychoanalyst in an urban village engaging a cast of characters with whom he shares his life and his ideas A vulnerable yet thoughtful person shadowed by what he refers to as life after the Catastrophe he finds himself celebrating depression discovering how it is an essential emotion housing insight into the self society and world affairs Amusing disturbing and thought provoking the novella reveals in remarkable depth the many faces of depression The psychoanalyst agonizes over the increasingly fascist dimensions of his profession and provides an excoriating critique of the psychotropic movement He challenges the world of modern psychology that by stereotyping souls as sufferers of one or another of the newly coined diagnoses such as Attention Deficit Disorder ordains a world that reduces humanity Where thoughtfulness once was now one discovers a pill a fashionable new illness and a twelve step program that define a life The arrival of a terrorist in his consulting room seeking treatment in order to carry out a suicide bombing serves as a pivot for other crises that involve the analyst in an increasingly anarchic and surreal era one that suggests a new world order Readers will find in this work new perspectives that challenge many assumptions ironically suggesting that in these difficult times understanding our complex mental lives as in depression holds invaluable keys to a better future for the individual and for modern society Lutheran Mzungu Dot Radius Kasik Ph.D.,2020-08-18 Lutheran Mzungu is an exploration of personal cultural awakening when an American Lutheran professor of English volunteered for a six month teaching stint at a Lutheran university in Tanzania and ended up teaching British Law She quickly found herself to be mzungu stranger white person outsider on multiple levels racially white economically first world versus third professionally English professor placed in the Faculty of Law even religiously American Lutherans often comport themselves differently than Tanzanian While often awkward the author s experience was altogether positive Being an outsider puts one in a position of exclusion while simultaneously giving a better vantage point for viewing the differences Working and traveling in a foreign country means adapting oneself to native culture for anything to be accomplished Radius Kasik tells her experience with humor and humility exploring and honoring the differences In her journey relationships became friendships and deepening friendships challenged her to find her way into a place and a people so unlike anything she d ever known and yet so very like everything she d ever known A conundrum for sure but mixing cultures is always a conundrum Lutheran Mzungu is not a travel guide but it might serve well for the reader about to embark on a first African experience All a reader needs is an interest in exploring preconceived ideas about cultural differences between Africans and Westerners Theatre World Annual ,1953 **Oxford Dictionary of Word Origins** Julia Cresswell,2010-09-09 Contains
