If I Were God:

If I Were God SRASHTI BEHURE, 2021-06-30 Humans often under dire situations end up cursing and thrashing the belief in the Almighty A man is thankful of Him and His blessings if they work in his favour and aid him to grow and glow Yet there comes a time when nothing in life seems to be going his way and he feels that God just isn't there for him anymore not standing beside him deaf to all his prayers and blind to all his miseries Isn't that the moment when a man's strongest urge is to become a God himself and make every little affliction and sorrow vanish off the face of his life with just one flick of a finger If I Were God is a compendium of several such moments in the form of short stories poems and essays put into relatable words by our remarkable bunch of writers This collection has been anthologized with toil and dedication by compiler Srashti Behure and Divya Renwa Do read and enjoy the near déjà vu instances scribbled in with adoration and kindness *Gin I were God* Charles Murray, James D. Law, 1920* *If I Were God* Don Mallough, 1966 *I Am: God's Forgotten Child* Heath E. Hoy, 2014-03-28 Tyler Trenton is the product of a childhood devastated by abuse and neglect While fighting the battle between good and evil child and demon he finds solace in a god named Elzba Tyler believes that he can achieve the status of a god by doing the bidding of the she god Then things turn tragic and the teenaged Tyler is faced with the feelings of losing friends in a tragic car accident followed by the abandonment of Elzba These actions send the young man's world spiraling out of control Years pass and as Tyler becomes an adult he also becomes an expert at killing and disappearing He leaves a trail of bodies and baffles the police with the pen name he has given himself I Am One day things get even stranger for the man and he falls in love Although he keeps his life a secret there are things about the young woman that he knows nothing about Their strange relationship is tested when family gets involved and an unwanted friend from the past begins to come after the man's new lover Tragedy will befall them but who will die and who will live Two Worlds, One Consciousness: Unifying Lucid Dreaming and Conscious Living Steven Ernenwein, 2011 **Strong Prayer, Strong Man: The Transforming Power of Balanced Prayer** Richard W, 2006 **The Interesting Narrative of the Life of Olaudah Equiano, or Gustavo Vassa, The African** Olaudah Equiano, 2018-09-21 Reproduction of the original *The Interesting Narrative of the Life of Olaudah Equiano or Gustavo Vassa The African* by Olaudah Equiano *Spurgeon's Sermons Volume 04: 1858* Charles Haddon Spurgeon, 2017-04-19 Charles Spurgeon was one of the most evangelical and puritan of protestant ministers in the 19th century In the fourth volume of these series of sermons these charismatic and inspiring sermons are enough to encourage convict and inspire anyone who seeks a closer and more intimate relationship with God **Rubáiyát of Omar Khayyām** Omar Khayyam, 1905 A Syria Situation David Fletcher, 2013-04-02 A Syria Situation is another day by day account of a wildlife expedition presented in the same style as that of Brian on the Brahmaputra It therefore features Brian and his wife Sandra again and another set of middle aged Brits this time making their way around a country in the Middle East that probably houses more antiquities than it does visible wildlife However this expedition was made well before anybody

suspected that Syria would start to tear itself apart This means that a book that was written to be irreverent provocative and amusing and has not been changed in any way since it was written has now become something more It has become a window onto what Syria once was and what it could be in the future It cannot be claimed to be a very clear window as many of the perspectives in the book are with the benefit of hindsight more than a little distorted But others are almost prescient Some people will consider A Syria Situation to be a very badly timed book and a book that points to a deplorable degree of insensitivity on the part of its author Nevertheless this author maintains that all those perspectives on this unfortunate country whether distorted or prescient ultimately lead to the conclusion that the Syrian people are above all else extremely resilient Anybody striving to bring an enlightened peace to Syria should therefore not be offended by this book but only encouraged by it as well as being entertained by it It is part of seven part series that details Brian and Sandra s travels to Assam Syria Borneo Cape Verde Namibia Botswana and Morocco and in due course Zambia It will appeal to fans of travel writing
