Federico Fellini Marco Malvestio, Jessica Whitehead, Alberto Zambenedetti, 2024-11-30 A complex and at times controversial film maker whose career spanned the second half of the twentieth century Federico Fellini 1920 1993 remains central to the Italian cultural imagery and the object of ongoing debates and critical scrutiny at home and abroad Images from his films Gelsomina's tears Marcello's sunglasses have become global signifiers not only for Fellini and Italian cinema but for Italy itself as steadily lodged in the world's collective unconscious as the Colosseum's arches and Venice's gondolas Marking the centenary of Fellini's birth Federico Fellini Centenary Essays reassesses the film maker's legacy with diverse contributions from established and emerging Fellini scholars as well as renowned Canadian film makers From literary influences to pictorial references from artistic collaborations to politics and from exhibition history to revivals the collection covers the pivotal aspects of Fellini's poetics through contemporary methodological tools and features a wide array of scholarly approaches With complexity and nuance the book takes stock of the enormous cultural legacy of one of the most celebrated directors in cinema history and is essential reading for scholars and cinephiles alike **Anonymity in**

Eighteenth-Century Italian Publishing Lodovica Braida, 2022-09-22 This book focuses on the different forms in which authorship came to be expressed in eighteenth century Italian publishing It analyses both the affirmation of the author function and above all its paradoxical opposite the use of anonymity a centuries old practice present everywhere in Europe but often neglected by scholarship The reasons why authors chose to publish their works anonymously were manifold including prudence fear of censorship modesty fear of personal criticism or simple divertissement In many cases it was an ethical choice especially for ecclesiastics The Italian case provides a key perspective on the study of anonymity in the European context contributing to the analysis of an overlooked topic in academic studies Spagna settentrionale

, 2011-11-07 **"Women, Femininity and Public Space in European Visual Culture, 1789-1914"** Temma Balducci, 2017-07-05 Focusing on images of or produced by well to do nineteenth century European women this volume explores genteel femininity as resistant to easy codification vis is the public Attending to various iterations of the public as space sphere and discourse sixteen essays challenge the false binary construct that has held the public as the sole preserve of prosperous men By contrast the essays collected in Women Femininity and Public Space in European Visual Culture 1789 1914 demonstrate that definitions of both femininity and the public were mutually defining and constantly shifting In examining the relationship between affluent women femininity and the public the essays gathered here consider works by an

array of artists that includes canonical ones such as Mary Cassatt and Frans Gerd as well as understudied women artists including Louise Abb and Broncia Koller The essays also consider works in a range of media from fashion prints and paintings to private journals and architectural designs facilitating an analysis of femininity in public across the cultural production of the period Various European centers including Madrid Florence Paris Brittany Berlin and London emerge as crucial sites of production for genteel femininity providing a long overdue rethinking of modern femininity in the public sphere
