Our leading visionary s insights on achieving global unity loving harmony and magnificent perfection God s kingdom of heaven on earth the Golden Age **Christ the Light** David L. Whidden III, 2014-07-01 In Christ the Light Whidden argues that illumination is a critical systematic motif in Aquinas theology one that involves the nature of truth knowledge and God at the root Aquinas theology of light or illumination is Christological grounding human knowledge of God and eschatological beatitude This volume establishes the theological network formed by the crucial motif of light illumination in Aquinas from how theology operates to the systematic sacramental and moral coordinates in Aquinas theology Light on the Path to Spiritual Perfection - Additional Articles IV Ray del Sole, 2014-10-09 For the genuine spiritual seeker Collection of universal spiritual topics techniques questions answers in 15 books derived from more than 20 years of spiritual practice Additional Articles IV table of contents The comfort zone The nature of reality Mysticism The dynamic of polarity The misuse of religion Buddha s nature Side effects of the spiritual training About wealth Masters and students Soul mirror work Prayer Technique The birth of a new religion And much more *On the way to the light* Francisco Cândido Xavier, Emmanuel (Espírito), 2019-11-09 Those who are trying to understand our world and its origins will find the answers in this book Of all the events facts situations and individuals that down through time have marked our progress the author highlights the most relevant and presents them in this notable work of historic synthesis He analyzes the missions of spirits such as Krishna Buddha Abraham Moses Fo Hi Confucius Lao Tse Solomon Socrates Plato Mohammed the Hebrew Prophets the Apostles Paul of Tarsus St Francis of Assisi Luther and Allan Kardec The book narrates the history of civilization from the perspective of Spiritism showing the true position of the Gospel of Christ in the light of earth s religions and philosophies It addresses the first inhabitants of the earth touching on the historical pages of peoples great empires and the changes that have followed one another in the direction of the future Emmanuel shows us that through divine determinism we are all on our way to the light *A Light for Revelation* Steven Hula, 2006-11 A Light For Revelation is the newest most innovative and inspiring devotional journal yet to be released by Hula It is a guide to developing Word revelation prophetic prayer and spiritual mastery Practical Life The Descending Light Josephine M. Brace, 1922 **Living in the Light** Derrick McCarson, 2013-05-24 The letters of John are some of the most simple yet profound texts in the New Testament The Apostle John wrote three epistles at the close of the first century to counteract the heresy of Gnosticism and to focus on what it meant to know God by walking in His light He contrasted the Christian life in stark opposites light and darkness love and hatred truth and lies life and death In Living in the Light Derrick McCarson reveals the heart of John s message salvation is not found in hidden secret knowledge but in the fellowship of Christ Moreover the evidence of salvation is seen by loving

others abiding in the truth and obedience to God's commands Living in the Light is a verse by verse commentary on the epistles of John This volume is ideal for believers who are looking to go deeper in their discipleship with Christ With an emphasis on practical application and precise exposition this book will enhance the reader's personal Bible study The Third Testament-Spirit of Truth T. R. Ross,2007-12-02 Did I not promise that all knowledge would be restored to its original truth Christ's prophecy has been fulfilled The following words have become absolute reality I have yet many things to say unto you but ye cannot bear them now Howbeit when he the Spirit of truth is come he will guide you into all truth John 16 12 13 This book of my teachings has been formed from the lessons of love and charity and dictated to you through human understanding Since ancient times I have entrusted to you my teachings through my envoys my emissaries my interpreters and you have used it to create myths and traditions But you will not fulfill your purpose unless you meditate and study this lesson with respect and love Truly I say to you that he who meditates and analyzes the teachings of my Book with a true desire to elevate his knowledge will acquire the light for his spirit and he will feel Me nearer to him *Spiritual Light* Randy Delp,2010-12-21 Randy Delp presents his spiritual light theory from the teachings of Jesus and from first century church literature that has been lost until recent archeological findings in the Middle East The theory suggests that all physical substances that presently exist came from God and was created through His spiritual light This spiritual light can be fully examined in the spiritual realm but without spiritual senses we do not have the capability to see hear taste touch or smell the essence of that light God is called the Father of Lights His kingdom is a kingdom of light His sons are children of light This book explores the creation and how it came into being It also pronounces how God's kingdom of light can be manifested and demonstrated in the physical realm through our obedience to divine authority and our proper responses to life's situations Finally Randy Delp explains how the culmination of time and the Messianic return will reinstitute a manifested spiritual light where once again we will experience the spiritual realm as Adam and Eve did at creation **Light from the Other Side** Jay Harold Ellens,2011-01-01 This volume presents the narrative of the author's personal spiritual journey which is marked by numerous constructive life changing paranormal experiences that can only be accounted for as special initiations of the divine spirit providing intimations and illuminations These events are set in the context of the rich literature available which reports similar events in the lives of many other persons under both normal and extreme circumstances The author a clinical psychologist and pastoral theologian interprets this broad panoply of psycho-spiritual data in terms of psychological science and biblical perspectives He concludes that the divine spirit is pervasive throughout the universe and present in all the dynamics of life forms constantly endeavoring to communicate with humans Thus the paranormal may well be more normal than the normal human experience and the veil between time and eternity between the mundane and transcendent worlds and between life and the life to come is apparently more permeable in both directions than we suppose **Illumination in Basil of Caesarea's Doctrine of the Holy Spirit** Timothy P. McConnell,2014-06-02 Although Basil of Caesarea was the

first to write a discourse on the Holy Spirit many scholars have since questioned if he fully believed in the Spirit's divinity Timothy P McConnell argues that Basil did regard the Spirit as fully divine and an equal Person of the Trinity However Basil refused to use philosophical terminology to make the point preferring to use what the Spirit revealed through divine act and Scripture Thus illumination becomes the primary paradigm for Basil which later theologians would come to call revelation setting the stage for this study's high relevance for contemporary thought

Walking Victoriously in the Power of the Spirit C. Matthew McMahon, 2019-10-25 One of the more neglected theological topics over the past 500 years of church history is a practical theology of the Holy Spirit how the Holy Spirit works in your life as a believer every single second of every single minute of every single day in the grace of Christ Jesus There are some very good systematic theology books that deal in their respective chapters with the Holy Spirit as they cover the doctrine of God and there are even some very well written single volumes on the Spirit compiled in a systematic fashion by divines looking to give us a theological overview of the Spirit But there are relatively no books on the Holy Spirit that take a biblical and historic confessional approach and marry that with a theology of victoriously walking in the Spirit as it relates to the abundant life that Jesus Christ has promised to his church Jesus did not come merely to give life but to give believers abundant life in the Spirit Is this what you experience in your daily walk Every Christian desires spiritual victory in Christ and to walk victoriously in the Spirit as outlined by Scripture but how would you explain that daily reliance and how would you as a believer experience the fullness of the Spirit in your own course of life Well that is what this little volume is about It is to arm you with the necessary biblical ideas surrounding a victorious and abundant life of walking in the Spirit day by day in order to please King Jesus and experience true happiness as Christ promises It covers what abundant life is who the Spirit is in Scripture as it relates to his work in a believer what it means to be baptized in the Spirit indwelt by the Spirit anointed by the Spirit illuminated by the Spirit filled by the Spirit empowered by the Spirit and led by the Spirit It also covers what it means to pray in the Spirit how to exemplify the fruit of the Spirit how to exercise your gifts in the Spirit and how to walk in the Spirit victoriously It concludes with a chapter on rejoicing in Christ in the Spirit which ought to be a culmination of this abundant life for you as a born again believer Christians should be walking in abundance in Christ right now through the work of the Spirit Are you

Making Sense of the Paranormal Rachael Ironside, Robin Wooffitt, 2022-01-03 This book is a study of how people collaboratively interpret events or experiences as having paranormal features or as evidence of spiritual agency The authors study recordings of paranormal research groups as they conduct real life investigations into allegedly haunted spaces and the analyses describe how through their talk and embodied actions participants collaboratively negotiate the paranormal status of the events they experience By drawing on the study of the social organisation in everyday interaction they show how paranormal interpretations may be proposed contested and negotiated through conversational and embodied practices of the group The book contributes to the sociology of anomalous experience and explores its relevance to other social science topics

such as dark tourism participation in religious spaces and practices and the attribution of agency This book will therefore be of interest to academics and postgraduate researchers of language and social interaction discourse and communication cultural studies social psychology sociology of religious experience parapsychology communication and psychotherapy

Illumination and Interpretation M. X. Seaman, 2013-03-06 This work seeks to take an abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination while reemphasizing the cooperation of Word and Spirit In doing so this book treats issues such as the relationship between illumination and other hermeneutical doctrines the accessibility of the Spirit's illumination when interpreting the Scriptures and the question of unregenerate biblical interpretation from publisher description

Skousen, 2022-04-18 No one is more important to us than our Savior Jesus Christ He is the only means of our salvation He is our everlasting example How can we follow Him and grow to become more like Him It's impossible to become like someone whom we don't truly understand When pondering about our Savior are we able to answer these vital questions Who is He What is He like What are His fundamental attributes What does He believe and what did He teach How did He handle the adversity trials rejection and temptations that He faced in His life How can this knowledge help us in our own trials and temptations We can turn to three sacred sources to discover who our Savior is the scriptures the teachings of the prophets and the commandments He has given us As we study His attributes from these sources our understanding will expand and our lives will improve significantly Each chapter in this book focuses on one of our Savior's attributes concluding with powerful suggestions demonstrating how we can obtain these same qualities As we apply His attributes in our lives we will become more like Him As we become more like Him we will come to know Him better and we will be filled with power from heaven Discovering Christ can lead each of us to a richer life a life filled with light peace and joy

Light Invisible M. V. Lodyzhenskii, 2011-10-01 Arguing that human beings yearn to be rooted in something greater than themselves and to know enduring joy and peace whatever the circumstances this classic early 20th century text examines higher consciousness and the divine mysticism of Eastern Christianity Written by a Russian philosopher and theologian this book explores the differences between Christian philosophy and other systems and discusses the beliefs of sainted men and women such as Francis of Assisi Seraphim of Sarov and Simeon the New Theologian Musing upon martyrdom in the epoch of the first two Ecumenical Councils this book also contains ruminations on the writings of Leo Tolstoy as well as a conversation between him and the author
