Daughters of Light T. R. Palechek, 2023-08-07 Of the Angels Ruth Langford is sure of three things. First that angels and demons walk the streets of Earth masquerading themselves as humans and calling themselves Celestials. Second that the last five years of her life were a blissful dream her mind made up while locked in a coma. And third that everything else she thought she knew was a lie. As the financial crash of the 1930s looms over her beloved San Francisco city, a rich husband and the birth of a promising career as a ballet dancer should be all she needs. But Ruth can't shake the feeling that something is not quite right with the world around her. Her search for answers reveals truths she'd rather not know. It's only a matter of time before she must confront the darkness of the world around her and within herself.

The Birds of Opulence Crystal Wilkinson, 2016-03-18 From the critically acclaimed award-winning author of *Blackberries*, *Blackberries* and *Water Street* comes an astonishing new novel. A lyrical exploration of love and loss, *The Birds of Opulence* centers on several generations of women in a bucolic southern black township as they live with and sometimes surrender to madness. The Goode Brown family, led by matriarch and pillar of the community Minnie Mae, is plagued by old secrets and embarrassment over mental illness and illegitimacy. Meanwhile, single mother Francine Clark is haunted by her dead lightning-struck husband and forced to fight against both the moral judgment of the community and her own rebellious daughter, Mona. The residents of Opulence struggle with vexing relationships to the land, to one another, and to their own sexuality. As the members of the youngest generation watch their mothers and grandmothers pass away, they live with the fear of going mad themselves and must fight to survive. Crystal Wilkinson offers up Opulence and its people in lush poetic detail. It is a world of magic conjuring signs and spells but also of harsh realities that only love and love that's handed down can conquer. At once tragic and hopeful, this captivating novel is a story about another time rendered for our own.
