Ghost Worlds Duane L. Martin, 2023-04-24 Four different Earths in four different dimensions were left as nothing but lifeless balls of rock and sand after their moons were destroyed Massive hunks of debris slammed into the planets ripping away their atmospheres and extinguishing every last bit of life With a near infinite number of dimensions was it beyond the realm of possibility that these four ghost worlds were nothing more than a coincidence or was it perhaps a coordinated attack the goal of which was to destroy whoever or whatever inhabited those worlds Suspicions and theories abound but they ll never find the answers they re looking for unless they put boots on the ground In order for

them to do that however they re going to need some new gear including space suits metal detectors and ground penetrating radar If as they suspect these dead worlds truly were inhabited by the race they called the creators then they not only need to find evidence of their presence on those worlds but they also need to find out just who it was that attacked them and more importantly the reason why Also in an effort to repair a relationship that had grown somewhat distant over the years Jarrod Derek Tina and Sarah invite Patricia to come down to the cabin with them for a little vacation so they can get things back to the way they were in the early days While there they head out to explore an as of yet unexplored dimension In the process they find a world that s beautiful beyond anything they could have possibly imagined but they also find a large supply of an incredibly rare mineral that could just be the key to producing limitless energy Ghost Worlds is the 8th book in the Unseen Things series The New Way ,1911 **All Blood Runs Red** Henry Scott Harris,2013-02 Life and legends of Eugene Jacques Bullard the first black American military aviator from his childhood to WWI hero 47 chapters of his life from the time he ran away from home alone at the age of eight to find freedom and equality in France This is based on a true life It is a series of fictional interviews with a man whom I never met *The Talisman Wars Box Set* Jaimie N.
