oblivious is because we've all been operating at human speed relying on our own physical power and our five senses. But there is something extremely important we've all been missing. It holds the key to everything good, the key to life, success, happiness, peace of mind and understanding beyond our wildest imagination. It's perhaps the best kept secret in the history of mankind and it packs a staggering invigorating message that can change your life for the better, improving understanding, eliminating anxiety and helping to extend your living years indefinitely. All we have to do is open our eyes and ears. We're all inundated with this secret at all times. It's present in our favorite songs and movies, the stories we tell our children and even in every commercial campaign. The secret is broadcast in famous news stories including the coronavirus pandemic, the sinking of the Titanic or the collapse of the World Trade Center on 9/11. It's in ordinary life activities such as breathing, sleeping, waking up, traveling, sex and getting married and changing one's name. Now bestselling author and award-winning journalist Joe Kovacs reveals the solution, cracking the divine code that shifts our minds from operating at slow human speed and making the jump to the incredibly quick God speed. Hundreds of ancient mysteries and prophecies are instantly unsealed as the master key that unlocks the mystery of everything is now in your hands.
