Old Farmhouse Larry V. Murphy, 2010-05-31 This book describes a man's late life journey to Spiritual Awakening and Unwavering Forgiveness. In fact, forgiveness changed the book's unfolding during the writing of it. The author began the book's writing with the desire to review a memory-troubled life in a way that some degree of peace could be found within it. Forgiveness absolutely began to take over the book very early; forgiveness became the way of seeing the life rather than an end result. The author learned that forgiveness is not only cleansing and healing in retrospect; it completely changes the way we look at things. For the author, a lifetime previously perceived largely in ugliness was transformed into beauty. Prior unsavory scenes took their true places within auras of ignorance; eyes of forgiveness exposed ignorance as the true culprit in all unhappiness. Thus, things previously seen in contempt and blame became innocent of all charges. The author found total Unwavering Forgiveness and Universal Love gateways to God Consciousness. *A Cyclopedia of the Best Thoughts of Charles Dickens* F. G. De Fontaine, 2023-07-15 Reprint of the original first published in 1873
