Light Within The Inner Path Of Meditation:

Light Within Laurence Freeman, 1987 The very simplicity of meditation is often the greatest problem to would be meditators In **Light Within** Freeman emphasizes that the fruit of meditation can only be tasted by starting to meditate

Light Within Laurence Freeman, 2008 The Benedictine monk and writer Laurence Freeman took over the mantle of John Main after his death in 1982 and continues the work that he began teaching Christians from all traditions the simplest way of prayer meditation It is simple in that it requires no words yet encountering God without the safety barrier of our own thoughts and ideas is to open ourselves to total transformation This collection of talks on Christian meditation is full of practical advice and great spiritual insights in equal measure It shows how discovering the presence of Christ within through meditative prayer can give shape and purpose to everything we do and are our actions emotions fears longings failings and dreams As John Main taught the point of this kind of prayer is to allow God's presence to become not just a reality but the reality of our lives **Light Within** Laurence Freeman, 1986

Yogamass Gena Davis, 2017-04-21 YogaMass Embodying Christ Consciousness bridges yogic principles and practices with Christian spirituality and worship as a path for bringing the whole self body mind soul and spirit to the experience of spiritual awakening The author an ordained Episcopal priest weaves together spiritual practices from different traditions with her own discovery that yoga's ancient truths are complementary with Christian beliefs taking one deeper into the spiritual life in ways that people of diverse faiths can embrace Blending yogic practices with Christian spirituality and worship the Reverend Gena Davis has co created an exciting and powerful new practice of spiritual ritual and celebration called YogaMass that leads to embodying Christ Consciousness On and off the yoga mat this book points the way to discovering a whole self spiritual experience and connecting with God through an awakened open mind and heart I loved this book The author the Reverend Gena Davis shares the story of her amazing spiritual journey that culminates in the creation of the world's first YogaMass service This alone would make the book well worth reading but throughout she integrates sacred writings stories and poems from spiritual masters of western and eastern spirituality all the while never losing sight of her own Christian heritage It is a remarkable accomplishment You will be blessed by this book and want to share it with others The Reverend Dr John K Graham president and CEO Institute for Spirituality and Health at the Texas Medical Center Houston I am delighted and privileged to encourage those who seek to worship God with all that is within to pick up and digest this spiritual teaching presented by the Reverend Gena Davis Gena has captured the importance of worshipping God with as the Psalmist uttered all that is within me I am fascinated by the interplay of yoga and liturgy within these pages and find myself wanting to go deeper into both I think the Reverend Davis is on to something that has been lacking in our Christian path and tradition The interweaving of her personal narrative and the spiritual insights she gained through the study and practice of yoga unveils how God's truth makes itself known through many different paths The Reverend Dr Richard Kleiman retired Presbyterian pastor Yoga is an exploration based on

experiential processes It is defined by our own internal truth Making Yoga universal but deeply personal is something Gena Davis expresses so beautifully Robert Boustany Yoga instructor and master and founder of Pralaya Yoga system
