Lighthouse Cookbook:

American Lighthouse Cookbook Becky Sue Epstein, 2009 The American Lighthouse Cookbook celebrates the local cuisines that have long been the staple of lighthouse keepers and their families *The Lighthouse Cookbook* Anita Stewart, 1994 Bestselling cookbook author Anita Stewart presents a delicious selection of recipes from the keepers of British Columbia's lighthouses From the traditional Clam Chowder and Apple Pie to such gourmet creations as Mussels in Wild Mushrooms and Jalapeno Jelly the dishes contradict the myth of rough living and near starvation on the isolated light stations They are however uniformly simple when food supplies are only available occasionally by helicopter lighthouse chefs must be inventive about using materials at hand This produces an emphasis on garden vegetables wild edible plants and berries and of course BC's prodigious variety of seafood The recipes are interspersed with fascinating anecdotes of life on the lights

The Lighthouse Keeper Cookbook Tim Murphy, 2016-02-25 Tending a lighthouse was a necessary life saving and often isolated calling The men and families that kept the lamps lit and beacons ablaze did so across the great lakes and up and down the North American coast In his 47th book author Tim Murphy combines his life long fascination with lighthouses with recipes that offer a taste of that life and that culture mixing seafood fish and wild game with basic pantry staples *The Lighthouse Cookbook*, 2009 **The Lighthouse Breakfast Cookbook** Michelle Bursey, Carol Korgan, 2009 On the west side of 1 000 foot high Heceta Head 205 feet above the ocean the 1894 Heceta Head Lighthouse is one of the icons of Oregon the most photographed lighthouse on the West Coast Heceta Head entered a new era in 1995 when Mike and Carol Korgan both certified executive chefs came to Heceta Head to revitalize the Keepers House and make it a welcoming home The seven course breakfast was created with this ideal in mind A blend of inspired food and good conversation is a recipe for true Victorian living *Tibbetts' Point Lighthouse Cookbook* Tibbetts Point Lighthouse Historical Society (Cape Vincent, N.Y.), John Logan, Sandy Betz, Carolyn Hobbs, 1994 *The Great Southeastern Lighthouse Cookbook* Catherine Joseph, 2002*

Light Years Caroline Woodward, 2015-09-05 In 2007 Caroline Woodward was itching for a change With an established career in book selling and promotion four books of her own and having raised a son with her husband Jeff she yearned for adventure and to re ignite her passion for writing Jeff was tired of piecing together low paying part time jobs and with Caroline's encouragement applied for a position as a relief lightkeeper on a remote North Pacific island They endured lonely months of living apart but the way of life rejuvenated Jeff and inspired Caroline to contemplate serious shifts in order to accompany him When a permanent position for a lighthouse keeper became available Caroline quit her job and joined Jeff on the lights Caroline soon learned that the lighthouse keeping life does not consist of long empty hours in which to write The reality is hard physical labour long stretches of isolation and the constant threat of de staffing Beginning with a 3 30 a.m. weather report the days are filled with maintaining the light station buildings sea sampling radio communication beach cleanup wildlife encounters and everything in between As for dangerous rescue missions or dramatic shipwrecks that kind of

excitement is rare So far the only life I know I've saved is my own she says with her trademark dry wit Yet Caroline is exhilarated by the scenic coastline with its drizzle and fog seabirds and whales and finds time to grow a garden and as anticipated write Told with eloquent introspection and an eye for detail Light Years is the personal account of a lighthouse keeper in twenty first century British Columbia an account that details Caroline's endurance of extreme climatic interpersonal and medical challenges as well as the practical and psychological aspects of living a happy healthy useful and creative life in isolation

Tillamook Light James A. Gibbs,2016-11-11 The lighthouse keeper has gone the way of the iceman and blacksmith but in the case of Tillamook Rock Lighthouse the story remains a complete history of Terrible Tilly seasoned with salty drama and some hilarious adventure Gibbs a former Coastguardsman stationed at the infamous rock off Oregon's north west shores knows that wild crag from the inside out and he has supplemented his account with what happened before he arrived on the scene and since closure of the light in 1957 Since 1881 Tillamook Rock Lighthouse had been a major factor in marine navigation from commercial sailing vessel days down to the age of nuclear propelled ships Rightfully famous the rock has rarely been visited because of its inaccessibility but countless thousands have gazed at this awesome monolith from shore side or shipboard especially during stormy weather when breakers beat unmercifully against its encrusted crags and a raging roiling sea appears determined to break the rock in half Of all the lighthouses that dot the shores of the world few can match the heroic setting of Tillamook Rock or the turbulent and colorful history of its lighthouse
