Lightning On The Sun:

Lightning on the Sun Robert Bingham, 2001-07-17 From the highly acclaimed author of *Pure Slaughter* Value comes this latter day literary noir about an ex pat in Cambodia eager to get home but taking all the wrong turns Asher went to Cambodia to get away from Julie his Harvard grad ex girlfriend currently tending bar in a topless joint in New York But when his UNESCO work cleaning bat dung from Khmer statues is finished and he decides on a dicey heroin scheme as his means to get home with plenty of money to spare it s Julie whose help he solicits She agrees but plans go dangerously awry frighteningly fast A pulsating plot and precise literary prose make *Lightning on the Sun* a startlingly compelling and strangely poetic tale **Nature** ,1884 *A Totalitarian State of the Past* Rafael Karsten,1969 **Nature** Sir Norman Lockyer,1883 **Storm Data** ,1975 *Guard Innocent Campus Beauty* Yi TongJiangHu,2020-06-23 After being injured by an accident the grandson of a medical student had gained the ability to communicate with the ancient divine doctors Faced with the decline of traditional Chinese medicine Sun Sinian Hua Tuo Zhang Zhongjing and Bian Que all fought over the ancient doctors to teach their grandson the Divine level medical skills It was not my intention to treat the pure school beauty to protect the female star s skin to treat the police flower or to see the beauty CEO fall ill Sun Xuan helplessly said I just want to revitalize Chinese medicine **Te Tohunga: The Ancient Legends and Traditions of the Maoris** Wilhelm Dittmer,2020-09-28 A small fire had been kindled and over it hummed the billy boiling for the last time in Maoriland Through the misty atmosphere the sun was sinking powerless and glowing red and night came A grand night Beautifully illuminated grand clouds of smoke ascended from the burning primeval forest a first mighty sign of the work of man and the will of man for the fire has to finish the work of the axe and to consume the forest Stars in silvery brilliance bespatter the East the West is all aglow with crimson gold and creamy white but to morrow work and care will follow the great destruction for endless is the beauty of this ever green country but its liberty and its fruitfulness are labour He who wishes for liberty must till the soil and the fruit of liberty shall be art for art is not an image but a fruit A strange fruit is once gathered by the Maori children of Nature a fruit grown out of the darkneses of the ocean encircled forests an art hopeless and sad A fruit without seed Was not Darkness the mother of All Does not the everlasting ocean encircle all And in the end must not Darkness again swallow all This art followed the ways of untiring Nature unseeming tools unmeasured time and endless labour shaped to perfection the hardest stone into the mere pounamu the beautifully formed and polished greenstone weapon the giant of the forest into the wonderful war canoe Sharp edged stones and shells have to shape the tree into the centre post of the house into the mighty figure of the god and ancestor and such labour stands in grim need of incantations to the atua gods who dwell in the darkneses of the Lower World and who dwell in the spaces of light above the earth that they may strengthen and enliven the unseeming tools with their god power The sages and dreamers of many generations had spent their lives bending over the smoke of their little fires and forming into wisdom what their eyes perceived of the wonders of the world and their wisdom

has resulted in incantations and Karakias powerful enough to overcome the gods These incantations and Karakias are tapu that is sacred The possessor of them is a Tohunga a Tohunga is sacred The tapu of the Tohunga is descended from the gods and so is his wisdom The gods are all descended from the Great Mother Darkness the goddess Hine nui te po and they are the ancestors of mankind which with every generation moves farther and farther away from the gods Once a great inspiration must have fallen upon the Maori world but since then generation followed generation framing incantations speculating shaping never renewing never widening this inspiration but working out form and expression to perfection The life of man became like the life of ever renewing Nature producing and again destroying giving birth and again killing to enable life to be sustained the souls of man grew into the rigid wisdom of incantations the food of man became man He who wishes for art must till the soil but he who tills the soil must have faith for art though a fruit of Nature is a child of god With the rising Sun came the old friend and placed fresh wood on the camp fire a work of love for he is a Rangatira Tohunga chief priest of great mana in his tribe and his tapu forbids menial labour With Sorrow in his face he sat down quietly laying a parting present at our feet On the water of the river sways the reflected canoe loaded for the journey and the sun plays among the leaves of the trees the children of the God Tane Mahuta
