Lightning Over Giltspur Cormac MacRaois, 1991 **The Politics and Poetics of Irish Children's Literature** Nancy Watson, 2009 Although the work of many contemporary Irish writers for children is often complex and sophisticated there is currently very little critical analysis to do it justice The aim of this book is to redress that situation and to prove that the best writing for children is no less complex and well written than the best adult fiction and offers valuable material for theoreticians With a detailed examination of selected texts by six Irish writers for children the book explores the reciprocal relationship between the different time and place of the child reader and the complexity and multiplicity of the world of the adult writer It suggests that putting the different forms of experience in dialogue with each other promotes a new understanding because it allows for other points of view and other ways of seeing This book also suggests that the way in which these writers implement the potential of the child reader's different perspective refutes the idea of the impossible relation between adult and child The opening chapter explores the attempt to re create childhood and adolescence in a range of Irish memoir and fiction Grimoire For The Apprentice Wizard Oberon Zell-Ravenheart, 2004-02-04 Here is the book Merlin could have given a young Arthur if only it had existed Out of the millions of Harry Potter fans worldwide there are tens of thousands who want to really do the magical things J K Rowling writes about But would be wizards must rely on information passed down from wizard elders Is there a Hogwarts anywhere in the real world A real Albus Dumbledore Where is the book these aspiring wizards need Luckily for all those fans Oberon Zell Ravenheart today's foremost genuine wizard has written the essential handbook What's more he has gathered some of the greatest names in Wicca including Ellen Evert Hopman Raymond Buckland Raven Grimassi Patricia Telesco Jesse Wolf Hardin Morning Glory Zell Ravenheart and many more into a modern day Grey Council to publish for the first time everything an aspiring wizard needs to know Lurking within the pages of Grimoire for the Apprentice Wizard are Biographies of famous wizards of history and legend Detailed descriptions of magickal tools and regalia with full instructions for making them Rites and rituals for special occasions A bestiary of mythical creatures The Laws of Magick Myths and stories of gods and heroes Lore and legends of the stars and constellations Instruction for performing amazing illusions special effects and many other wonders of the magical multiverse Praise for Grimoire for the Apprentice Wizard I can't think of a better more qualified person to write a Handbook for Apprentice Wizards Oberon is a Wizard Raymond Buckland author of Buckland's Complete Book of Witchcraft Oberon is not only extremely learned in the magickal arts but he communicates that knowledge with wit and charm Fiona Horne author of Witch A Magickal Journey and star of Mad Mad Mad House **The Whole Story** John E.
