Lightning Through The Stars:

The Stairway to the Stars, Or, Enola Reverof George Woodward Warder, 1903 *Chaos and the Son of Man* Andrew Angel, 2006-08-27 Andrew Angel briefly reviews the work of Old Testament scholars on the mythological motif of God's battle with the dragon and the chaos waters. He also reviews works that touch on the existence of the motif in the period 515 BCE to 200 CE, noting the need for a thorough survey of the motif in Hebrew literature of this period. There follows a study of forty-two Jewish and Christian texts in Hebrew, Aramaic, Greek, and Latin which establishes the fact that this mythological motif was well known in this period. Angel makes suggestions as to how this might offer fresh insights into the meaning of apocalyptic visions and texts that appear to refer to a son of man figure in this period. [The Annals of Science](#) Hamilton Lanphere Smith, 1853 Vol 2 includes the transactions of the Cleveland Academy of Natural Sciences. **Unpainted to the Last** Elizabeth A. Schultz, 1995 Endlessly pursued but ever elusive Moby Dick roams freely throughout the American imagination. A fathomless source for literary exploration, Melville's masterpiece has also inspired a stunning array of book illustrations, prints, comics, paintings, sculptures, mixed media, and even architectural designs. Innovative and lavishly illustrated, *Unpainted to the Last* illuminates this impressive body of work and shows how it opens up our understanding of both Moby Dick and twentieth-century American art. The most continuously frequently and diversely illustrated of all American novels, Moby Dick has attracted some remarkable book illustrators: in Rockwell Kent, Boardman Robinson, Garrick Palmer, Barry Moser, and Bill Sienkiewicz among others represented here. It has also inspired extraordinary creations by such prominent artists as Jackson Pollock, Frank Stella, Sam Francis, Benton Spruance, Leonard Baskin, Theodoros Stamos, Richard Ellis, Ralph Goings, Seymour Lipton, Walter Martin, Tony Rosenthal, Richard Serra, and Theodore Roszak. The artists reflect in equal measure the novel's realistic plot, character, natural history, and philosophical modes; its visual and visionary dimensions. Some like the obsessed and haunted Gilbert Wilson claim Moby Dick as their Bible. Still others view the novel as a touchstone for feminist, multicultural, and environmentalist themes, or mock its status as a cultural icon. *Serial Film Stars* Buck Rainey, 2024-10-18 Pearl White, William Duncan, William Desmond, Ben Wilson, Walter Miller, Francis Ford, Charles Hutchinson, Jack Dougherty, and Eddie Polo are just a few of the stars to start up a whirlwind of enthusiasm among serial devotees. They offered a thrill, a minute world of ridiculous plots, weird disguises, hair-raising escapes, hidden treasures, diabolic scientific devices, wild animals, depraved men, runaway trains, and an endless procession of knock-down drag-out fights. Who could resist? This reference work highlights 446 serial performers who thrilled generations. Each entry includes the performer's birth and death dates, serial credits, major films, and details of life before and after the movies. **Traditions of the Skidi Pawnee** George Amos Dorsey, 1904 **The Morning Star and Free Baptist**, 1899 [Artrex](#) David Luke Gazoul, 2003-11 Only the shadow of death can grant you the spirit and the will to fight for your life and the lives of others. And such is the life of a Shadaal. Traveling through the Dark Ages in search of monsters to hunt and challenges worthy of their mettle, the

phenomenal skills of the Shadaal are surpassed only by their bonds of friendship Lead by Artrex a warrior whose face and life are both cursed by a dark secret their journey soon takes them to a foreboding mountain range from where few have returned After many a ponderous victory Artrex is bestowed with a magical sword of unspeakable power But more important than the mysteries surrounding this strange weapon are the mysteries of love that plague Artrex in his most heartfelt thoughts For who could love a monster Journey with Artrex through a world of dragons and sorcery as this tormented soul of conflicting passion amidst violent combat and dangerous enigma learns the true definition of what makes a man into a hero
