Lights! Camera! Action! Gregory G. Sarno, 2005 Action action yet more action. No action film worthy of genre would be caught dead without its fair share of red hot lead and no holds barred fisticuffs high octane pursuits and gravity defying gymnastics. Then again nonstop action soon wears thin absent a rooting interest. In *Last Man Standing* First Woman to Cross Finish Line Rooting interest inheres not in overt action no matter how artfully choreographed or breathtakingly executed. Rather rooting interest comes from empathy for the protagonist and more precisely from the dramatic action embodied by the protagonist's struggle to accomplish a worthy goal opposed by a formidable foe. *Action* is a double edged blade overt
