## **Like No Other Time:**

Like No Other Time Thomas Daschle, 2004-08-24 The Majority Leader of the 107th Senate offers a candid insider's account of the workings of the U S government during two extraordinary years of American history sharing his thoughts on the presidential election of 2000 the September 11th terrorist attacks the anthrax scare the war on terrorism corporate scandals and other Senate leaders Reprint 30 000 first printing      **Like No Other Time** Tom Daschle, Michael D'Orso, 2003-11-04 Tom Daschle the Majority Leader of the historic 107th Senate presents a candid insider's account of the workings of the U S government during two of the most tumultuous years in the nation's history The 107th Congress faced a time like no other in the life of the nation This was the era of the first presidential election to be decided by the United States Supreme Court the fifty-fifty Senate the horror of September 11 the anthrax attacks on media and the government including Daschle's own office the war on terrorism corporate scandals that shook the economy the inexorable move toward war with Iraq and other dramatic events all leading up to the historic midterm elections of 2002 Through it all Senator Tom Daschle had with the exception of the President the most privileged view of these unfolding developments both in front of and behind the closed doors of government In Like No Other Time Daschle offers a riveting account of his singular perspective on a time when the nation faced deadly and elusive external enemies and a level of domestic political contention rarely seen in American history Senator Daschle is unflinching in his impressions of the key political figures of our time from both parties The result is an acutely perceptive assessment of how our government met and sometimes did not meet the challenges of a remarkable era As it was during the years of the 107th Congress the United States is once again at a critical and historic crossroads Our choices based on what we have learned from our recent past will affect our future in profound ways For Senator Daschle the first and perhaps most important choice lies with what kind of representation and leadership we want in government It is a choice between a political party with a core philosophical belief in the power of our collective will to confront these challenges through our government and one dominated by a group of people who don't like and don't believe in government      word on the street, eBook Rob Lacey, 2009-05-18 For those who've never read the Bible and for those who've read it too much Lacey's dangerously real retelling of Scripture vividly demonstrates that the Bible is packed full of stories poems and images that resonate with the big issues of today This fresh paraphrase come running commentary brings the text alive Bible stories are retold as mini blockbusters psalms as song lyrics epistles as emails Revelation as seen through a virtual reality headset Out with stale religious terms here's a Bible which talks today's language gritty earthy and witty Enough starting at Genesis with good intentions and getting lost in Leviticus Lacey succeeds in revitalizing a classic work by focusing on the big picture fast forwarding through the slow moving bits with pace passion and energy to make the Bible a page turner Lacey's tour de force was created during a remarkable personal journey through terminal cancer the stuff Bible stories are made of This life experience injects Lacey's take on Scripture with authenticity and authority resonating with

Bible characters who also wrestled with the big questions Purist alert This is not THE Bible capital B but it might just get you reaching for one

*Women at Midlife* Jeanie Miley, 2001-06-19 Midlife is a time of transitions some welcome and others not so welcome Thankfully the Bible provides principles and guidance for dealing with difficult times

Peyton,2024-02-07 In an increasingly broken world filled with hate and violence God s plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man s rejection of his creator Rather God s simple twofold plan of redemption included both a commandment to love the creator with all one s heart mind soul and strength and a commandment to love one s neighbor as one s self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don t like A choice to love what you don t understand A choice to love until the God you love sets everything right in eternity **Theory of Person and Existential Personalistic Anthropology** Antonio Mercurio,2009-12 *The Spiritual Battle For Salvation* Dr. Daniel Wagner,2016-05-29 Time is seeming to go faster and faster Events worldwide are keeping us speechless A lot of things are not adding up any more The spiritual confusion amongst Christianity becomes more

and more complex What is going on Are we living in the endtimes Is something about to happen The present church is spiritually asleep A strong spirit of deception is deceiving the church into a false Gospel and a false Christianity Christian leaders world wide abandon biblical faith and they embrace the New World Order and the New World Religion The devil disguised as big helper has replaced biblical truth with deceptive truth The majority of believers support and promote the foretold hellish nightmare of the one world government Unless church leaders wake up and stand up for biblical truth the majority of Christians will be damned to hell Will Jesus be able to find biblical pure faith on earth when he returns You might be instrumental in starting the last and greatest revival
