Leonard, 2011-10-10 Joseph Holt the stern brilliant and deeply committed Unionist from Kentucky spent the first several months of the American Civil War successfully laboring to maintain Kentucky s loyalty to the Union and then went on to serve as President Lincoln s judge advocate general In Lincoln s Forgotten Ally Elizabeth Leonard offers the first full scale biography of Holt who has long been

overlooked and misunderstood by historians and students of the war In his capacity as the administration's chief arbiter and enforcer of military law Holt strove tenaciously often against strong resistance to implement Lincoln's wartime policies including emancipation After Lincoln's assassination Holt accepted responsibility for pursuing and bringing to justice everyone involved in John Wilkes Booth's conspiracy It was because of this role in which he is often portrayed as a brutal prosecutor and because of his hard position toward the South Leonard contends that Holt's reputation suffered Leonard argues however that Holt should not be defined by what Southern sympathizers and proponents of the Lost Cause came to think of him Lincoln's Forgotten Ally seeks to restore Holt who dedicated both his energy and his influence to ensuring that the Federal victory would bring about lasting positive change for the nation to his rightful place in American memory *The Importance of the Bluegrass State* David Lawrence Lassman, 2001 Lincoln's Melancholy Joshua Wolf Shenk, 2006-10-02 A nuanced psychological portrait of Abraham Lincoln that finds his legendary political strengths rooted in his most personal struggles Giving shape to the deep depression that pervaded Lincoln's adult life Joshua Wolf Shenk's *Lincoln's Melancholy* reveals how this illness influenced both the President's character and his leadership Mired in personal suffering as a young man Lincoln forged a hard path toward mental health Shenk draws on seven years of research from historical record interviews with Lincoln scholars and contemporary research on depression to understand the nature of Lincoln's unhappiness In the process Shenk discovers that the President's coping strategies among them a rich sense of humor and a tendency toward quiet reflection ultimately helped him to lead the nation through its greatest turmoil A New York Times Book Review Editors Choice SELECTED AS A BEST BOOK OF THE YEAR Washington Post Book World Atlanta Journal Constitution St Louis Post Dispatch Pittsburgh Post Gazette As Featured on the History Channel documentary *Lincoln* Fresh fascinating provocative Sanford D Horwitt San Francisco Chronicle Some extremely beautiful prose and fine political rhetoric and leaves one feeling close to Lincoln a considerable accomplishment Andrew Solomon New York Magazine A profoundly human and psychologically important examination of the melancholy that so pervaded Lincoln's life Kay Redfield Jamison PhD author of *An Unquiet Mind* **Fight Like a Tiger** Victoria L. Harrison, 2018-10-22 Focusing on the life of ambitious former slave Conway Barbour Victoria L. Harrison argues that the idea of a black middle class traced its origins to the free black population of the mid nineteenth century and developed alongside the idea of a white middle class Although slavery and racism meant that the definition of middle class was not identical for white people and free people of color they shared similar desires for advancement Born a slave in western Virginia about 1815 Barbour was a free man by the late 1840s His adventurous life took him through Lexington and Louisville Kentucky Cleveland Ohio Alton Illinois and Little Rock and Lake Village Arkansas In search of upward mobility he worked as a steamboat steward tried his hand at several commercial ventures and entered politics He sought but was denied a Civil War military appointment that would have provided financial stability Blessed with intelligence competence and energy Barbour was quick to identify opportunities as they appeared in

personal relationships he was simultaneously married to two women business and politics Despite an unconventional life Barbour found in each place he lived that he was one of many free black people who fought to better themselves alongside their white countrymen Harrison s argument about black class formation reframes the customary narrative of downtrodden free African Americans in the mid nineteenth century and engages current discussions of black inclusion the concept of otherness and the breaking down of societal barriers Demonstrating that careful research can reveal the stories of people who have been invisible to history *Fight Like a Tiger* complicates our understanding of the intersection of race and class in the Civil War era Mary Todd Lincoln, Girl of the Bluegrass Katharine Elliott Wilkie, 1960 A biography concentrating on the childhood of the Kentucky girl who grew up to marry Abraham Lincoln **The Kentucky Encyclopedia** John E.
