Finding My Way To God:

Finding My Way to God Herbert A. Baumgard, 2002 Some people receive a call to serve God at a very early age Others live many decades of their life before they turn to religion and to God Idealistic as the author was from his youth he lived the life of an average American boy and young man until the events of his life turned him in the direction of becoming a rabbi Some of these experiences spelled out in brief vignettes are included in this volume the death of his grandfather when he was five years old a violent antisemitic confrontation at age eight an interracial experience on a trolley car in 1932 in Virginia Other vignettes describe facing death by a drunken soldier a physical assault by a colonel angered by his teaching of racial equality as an Information and Education Specialist in the Army a mystical encounter with nature preaching in a Baptist church as an assistant to a Jewish Chaplain in World War II The range of incidents is wide indeed The reader is carried through five years of college including a year in law school abruptly halted by Pearl Harbor and through four years in the U S Army The reader will identify with the searchings of the young boy and young man for a life of purpose These searchings ultimately led him to choose a lifetime of service to God

Finding My Way Home John Houston, 2021-04-20 After many years of searching John Houston found his way home his true home Now he wants to help you do the same John Houston has spent the past sixteen years building for others what he didn't always have for himself growing up a family home Today John is one of the premier custom home builders in Texas Throughout the Dallas Fort Worth area you see signs proudly presenting John Houston Custom Homes that paint a picture of the kind of home life John would have done anything to have as a child From a young age home was not a place where John wanted to be After his parents divorced and his mother moved out his father remarried and moved in with his new family John and his older brother struggled to adjust and began living by themselves with little to no adult supervision at the ages of 11 and 15 They helped support themselves financially by working long hours running a lawncare business before and after school The years that followed were challenging but also marked by God's protection even when John didn't realize it as he overcame hardships that could have permanently derailed his life He met and married the woman of his dreams completed his education and became a respected and successful business owner And he isn't confused for one second about who's ultimately responsible for his success God In **Finding My Way Home** John Houston reflects on a life of trials hardships and painful mistakes through the lens of gratitude for God's enduring faithfulness He explains God created a story with my life that puts a spotlight on His mercy and grace a story of my anger and His forgiveness of the broken family I grew up in and His restoration of my demanding leadership as a husband and father and His model for me to lead with love

Finding Your Way Back to God Dave Ferguson, Jon Ferguson, 2016-03-01 God if you're real make yourself real to me Each of us spends our lives on a journey toward God Yet often our most deeply felt longings for meaning for love for significance end up leading us away from instead of toward our Creator and the person he made us to be **Finding Your Way Back to God** shows you how to understand and listen to your longings in a whole new

way It s about waking up to who you really are and daring to believe that God wants to be found even more than you want to find him It s about making the biggest wager of your life as you ask God to make himself known to you And it s about watching what happens next *Finding My Way Home* Reddy Suzwe,2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman s journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime *Finding My Way Home* Sara Bennett Brodzinski,2022-08-30 *Finding My Way Home* shares personal testimonies of hardship and triumph that will remind you that you are not alone In a world that can leave you feeling hopeless you will discover the answer to the void that lives inside each of us The empty space that can only be filled with one thing Jesus Come on this journey with others and experience the joy this author found while learning to praise in the storms of life Hear about a relentless God who longs to call you His A God who wants to join you as you find your way home *Finding My Way in Christianity* Herold Weiss,2021-03-29 What happens when a theologian takes issue with his own church How can he be genuine in faith and also have integrity as a scholar Do some Christian communities have their own cancel culture *Finding My Way in Christianity* Recollections of a Journey is a story of dealing with the differences within the Christian community that is both personal and theologically reflective With a diverse cross cultural background exceptional theological education and fascinating personal experience author Dr Herold Weiss is uniquely qualified to write about this topic This notable book outlines the author s experiences starting in Montevideo Uruguay and moving through various educational experiences and teaching positions It is no accident that the chapter titles reflect geographical locations as the journey through space provides an illuminating metaphor for the faith journey that accompanies it Some of the people you meet in this book will make you angry Others will make you thankful to be a Christian Some will evoke your sympathy even as you seek to understand why they acted as they did All of them will help give you some insight into what goes into a successful journey of faith You can read *Finding My Way in Christianity*

either as an interesting story or as theological reflection The author s experiences will resonate with many of us who have experienced the divisions within the Christian community and dealt with those who would silence dissent Dr Weiss story comes primarily within one denomination but it follows outlines that will be familiar to many If you find yourself on a journey of faith you owe it to yourself to read **Finding My Way in Christianity** **Finding My Way Home** Nicholas

Lyerly,2016-10-24 We may not always know where God is leading us and like the prodigal son we can often be led astray So how do we find our way back When Nick Lyerly received his call to the ministry he was already settled with a family and a promising career But even though answering the call would bring insurmountable challenges he could not deny his true purpose However the road to Nicks dream of becoming a Methodist minister would be paved with hardship In **Finding My Way Home** author and pastor Nick Lyerly shares his story of overcoming in the face of struggle hardship and disappointment During his early years Nicks family was struck by tragedy and he became a rebellious youth acting out in ways that would constantly haunt him In spite of this Nick grew to be devout Christian who would hear the call from God Nicks faith and marriage would be put to the test while he attended seminary for four years away from his wife and son but he remained steadfast Yet even as he fulfils this call and ministers his own church an unforeseen event would threaten his career before it had even begun Was this part of Gods plan Even though our lives may not always turn out the way we plan God can provide us with peace and joy through all the soul searching frustration and indecision Join Nick on his remarkable journey of self discovery and redemption as he finds his way back home to God **Finding Your Way Back to God Participant's Guide** Dave

Finding Our Way Jeff Lockyer,2021-09-15 What if the way the Church is doing church is the very reason the world is seeing less of Jesus in it every day Beginning with the biblical basics Jeff Lockyer walks readers through the underlying theology and practical application of how Southridge Community Church has approached ministry for nearly a quarter century While providing a fresh approach to ministry the book stimulates how to think not what to think It s written by a local church practitioner for local church practitioners By providing clarity to the confused it helps church leaders find their way By providing practical examples delivered uniquely in multiple church contexts it supports leaders in finding their own way And most of all by re framing the operation of the church around fostering full devotion instead of facilitating consumerism it enables leaders of local churches to reclaim the lifestyle of Jesus among its people It supports churches and leaders to find their Way the Way of Jesus Yaylife! the Joy of Finding the God Who Found Me Katy Bartos,2018-09-14 What if you miss the point of life Or you find happiness and success but the deeper joys escape you What if you re stuck in drudge that slowly suctions life out of you Or never really discover your true purpose Are you suddenly grasping that as you accomplish your bucket list you look back on your life and see that there was a hole in your bucket all along yet you re still empty Your unidentifiable inner hunger remains unsatisfied Through engaging writings of different styles humor struggle doubt pain and plenty of surprises the YAY rose up out of the author s life and landed in this book Most of them were written purely for self expression then the joy of sharing life and healing with friends gave them life and purpose Chapters and pieces are arranged to delight comfort and o yes challenge Designed to winsomely feed your soul this book provides choices to fit your mood or need or just be relaxing
