Robert Spitzer

Finding Jesus Through The Gospels History And Hermeneutics:

Finding Jesus Through the Gospels René Latourelle, 1979 **Hermeneutics and Early Christian Gospels** Todd Brewer, 2025-03-17 Orientation by Disorientation Richard A. Spencer, 1980-01-01 Pittsburgh Theological Monograph Series General Editor Dikran Y Hadidian *Life of Jesus research* Evans, 2019-07-01 Life of Jesus Research offers students and scholars annotated bibliographies for all of the major areas of critical scholarship in the historical Jesus providing complete bibliographical information annotations and brief introductions to the various subjects The work is an indispensable tool for research in this important field of study *Christ, Science, and Reason* Robert Spitzer, 2024-08-06 This book explores scientific evidence related to Jesus Christ Marian apparitions and other miracles **Retrieving Apologetics** Glenn B. Siniscalchi, 2016-01-07 Given the popes recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on reproposing the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step s Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi s book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith

The Expository Times James Hastings, Ann Wilson Hastings, Edward Hastings, 1911 Hermeneutics Richard E. Palmer, 1969 Hermeneutics introduces English speaking readers to a field of increasing importance in contemporary philosophy and theology hermeneutics the theory of understanding or interpretation Hermeneutics is concerned with the character of understanding especially as it is related to interpreting linguistic texts It goes beyond mere philological methodology however to questions of the philosophy of language the nature of historical understanding and ultimately the roots of interpretation in existential understanding Palmer principally treats the conception of hermeneutics enunciated by Heidegger and developed into a philosophical hermeneutics by Hans Georg Gadamer He provides a brief overview of the field of hermeneutics by surveying some half dozen alternate definitions of the term and by examining in detail the contributions of Friedrich Schleiermacher and Wilhelm Dilthey In the Manifesto which concludes the book Palmer suggests the potential significance of hermeneutics for literary interpretation When the context of interpretation is pressed to its limits hermeneutics becomes the philosophical analysis of what is involved in every act of understanding In this context hermeneutics becomes relevant not simply to the humanistic disciplines in which linguistic and historical understanding are crucial but to scientific forms of interpretation as well for it asserts the principles involved in any and every act of interpretation **The Expository Times** , 1911 **Liturgy as Revelation** Philip Caldwell, 2014 This volume argues that in

the twentieth century Catholic theology increasingly recognized the centrality of Christology particularly the person of Christ as the locus of revelation and drew out the crucial implications for that which occurs within the space of liturgy and the sacraments Examining the specific contributions of Ren Latourelle Avery Dulles Salvatore Marsilli and Gustave Martelet against a background of pre conciliar ressourcement theology this volume provides a comprehensive account of why a Trinitarian and Christological construal of liturgy and sacraments as revelation is key to the vision that informed Vatican II and offers constructive theological and ecclesial possibilities for the future

Biblical Hermeneutics Bruce Corley, Grant Lovejoy, Steve W Lemke, 2002-04-15 *Biblical Hermeneutics* is a textbook for introductory courses in hermeneutics It takes an interdisciplinary approach that is both balanced and practical with six major areas of focus the history of biblical interpretation philosophical presuppositions biblical genre the uniqueness of Scripture the practice of exegesis and use of exegetical insights that will be lived and communicated in preaching and teaching *Biblical Hermeneutics* is designed for students who have little or no knowledge of biblical interpretation It provides in one volume resources for gaining a working knowledge of the multi faceted nature of biblical interpretation and for supporting the practice of exegesis on the part of the student The first chapter A Student's Primer for Exegesis by Bruce Corley gives the student a bird's eye view of the entire process It becomes for the student a kind of template to which they will return again and again as they engage in the process of exegesis This revised edition of *Biblical Hermeneutics* contains seven new chapter that deal with the major literary genre of Scripture law narrative poetry wisdom prophecy Gospels and Acts epistles and apocalyptic The unique nature of Scripture is presented in part three that addresses the authority inspiration and language of Scripture The book contains two extensive appendices A Student's Glossary for Biblical Studies and an updated and expanded version of A Student's Guide to Reference Books and Biblical Commentaries

A God of Incredible Surprises Virgilio Elizondo, 2003-11-10 In this remarkable rereading of the life of Jesus theologian Virgilio Elizondo cited by TIME Magazine as one of the spiritual innovators of our time focuses on the humanity of Jesus and the healing his life offers to ourselves and our world today

The Quest of the Hermeneutical Jesus Robert B. Stewart, 2008 *The Quest of the Hermeneutical Jesus* is a study in how reading documents referring to Jesus influences conclusions as to who Jesus was as a figure in history In this book author Robert B Stewart leads his readers through the projects of two of the most important and influential scholars in the field of historical Jesus research in order to show his readers how the philosophical presuppositions and hermeneutical methods of Crossan and Wright impact their respective historical conclusions concerning Jesus There is arguably no more important question in religious studies than what can we know about Jesus Stewart takes on the task of filling the void in this area by addressing how hermeneutics influences history In addition to highlighting the work of two great scholars Stewart also provides a useful introduction and guide through much of the maze of contemporary literary criticism Book jacket

God So Loved the World Robert Spitzer, 2016-03-10 In this volume the brilliant Fr Spitzer probes in detail the major question that if an

intelligent Creator God manifest in logical proofs scientific evidence and near death experiences who is the source of our desire for the sacred and the transcendental desires for truth love goodness and beauty would want to reveal himself to us personally and ultimately He then shows this is reasonable not only in light of our interior experience of a transcendent Reality but also that a completely intelligent Reality is completely positive implying its possession of a completely positive virtue namely love defined as agape This leads to the question whether God might be unconditionally loving and if he is whether he would want to make a personal appearance to us in a perfect act of empathy face to face After examining the rational evidence for this he reviews all world religions to see if there is one that reveals such a God an unconditionally loving God who would want to be with us in perfect empathy This leads us to the extraordinary claim of Jesus Christ who taught that God is Abba the unconditionally loving Father Jesus claims go further saying that He is also unconditional love and that his mission is to give us that love through an act of complete self sacrifice He also claims to be the exclusive Son of the Father sent by God to save the world and the one who possesses divine power and authority The rest of the book does an in depth examination of the evidence for Jesus unconditional love of sinners his teachings his miracles and his rising from the dead As well as the evidence for Jesus gift of the Holy Spirit that enabled his disciples to perform miracles in his name and evidence for the presence of the Holy Spirit today If this strong evidence convinces us to believe that Jesus is our ultimate meaning and destiny and desire His saving presence in our lives that evidence should galvanize the Holy Spirit within us to show that Jesus is Lord and Savior the way the truth and the life And our faith in him will transform everything we think about our nature dignity and destiny and how we live endure suffering contend with evil and treat our neighbor

Animal Sacrifice and the Death Penalty Giosue Ghisalberti, 2021-12-03 The slaughter of animals as a religious ritual and the execution of human beings as a judicial one was an interrelated phenomenon in the ancient world Writings from different traditions had to be interpreted in relation to each other for the connection between two sacred rituals to be made The history of the death penalty within the textual traditions of Judaism and ancient Greece could be traced to specific commandments beginning in Genesis and in laws specified as early as in Hesiod's Theogony in each case however with far from unambiguous conclusions despite their divine origins in YHWH or Zeus An ever present uncertainty in the nature of the death penalty pervades the writings of the Bible from Genesis to the Gospels of Jesus as well as in the mytho poetic world of Hesiod the tragedy of Aeschylus and Socratic philosophy as represented in Plato's dialogues Scholarship has not considered the importance of these two interrelated traditions insofar as both expose the specific characteristics of violence and killing within the institutions of religion and the law The creation of religious rituals and the acts of the law are inseparable and essential to the authority of the politico religious state Animal sacrifice and the death penalty serve as the pillars of social legitimacy in the ancient world

[Biblical Interpretation in Early Christian Gospels Volume 1](#) Thomas R. Hatina, 2006-04-23 This collection of essays is the second volume in a projected series of five volumes that gather together recent research by leading

scholars on the narrative function of embedded Jewish scripture texts quotations or allusions in early Christian Gospels While the contributors employ a diverse range of methods their research is directed towards considering the function of embedded scripture texts in the context of the Gospels as self contained narratives written and read heard in their early Christian settings The essays are arranged according to their appropriate methodological categories

Biblical Interpretation in Early Christian Gospels Volume 1 Thomas Hatina,2006-06-23 This collection of essays is the second volume in a projected series of five volumes that gather together recent research by leading scholars on the narrative function of embedded Jewish scripture texts quotations or allusions in early Christian Gospels While the contributors employ a diverse range of methods their research is directed towards considering the function of embedded scripture texts in the context of the Gospels as self contained narratives written and read heard in their early Christian settings The essays are arranged according to their appropriate methodological categories

Interpretation of the Bible George Holley Gilbert,1908

A Prologue to Studies in the Fourth Gospel Riku P. Tuppurainen,2021-05-25 The Fourth Gospel both blesses and betrays It blesses readers who engage with its message but it may betray those who read it nonchalantly The notion that the Fourth Gospel is easy to understand is an enduring myth This volume takes readers on a heuristic journey to discover the Fourth Gospel s unique theological aspects problematic historical matters inimitable literary features and various interpretive approaches using an accessible format and easy to read language The purpose of this publication is to enable readers to appreciate the Fourth Gospel s wide horizon so necessary to understand its narratives in their historical and narrative contexts Like the prologue of the Fourth Gospel that introduces and gives perspective on how readers should approach the rest of the Gospel similarly this volume introduces and gives perspective to studies in the Fourth Gospel The text is divided into three parts which examine its independent theology and argumentation various outstanding issues and its interpretation respectively This volume is suitable for a wide readership from Bible study groups to pastors and from undergraduate to graduate students

Gospel Interpretation and Christian Life Francis J Moloney,2017-11-01 The voice of Francis J Moloney SDB has been heard in New Testament studies for many decades Internationally famous for his work on the Gospel of John this volume gathers studies that demonstrate the breadth and richness of his interests beyond that well established enterprise The first part of the book is dedicated to Gospel studies with the majority of essays focussing upon the Gospel of Mark They reflect his long interest and his major commentary on that Gospel 2012 Studies on Matthew Luke and John complete these reflections
