The Strange Files of Fremont Jones Dianne Day, 1996-01-01

Brave, resourceful, adventurous Fremont nee Caroline Jones is a woman ahead of her time. Hungry for independence, she's traded in her conventional life in Boston for a career as a type writer in turn of the century San Francisco. But Fremont soon discovers that her clients aren't always what they appear to be and that in doing her job, she's transcribing her way into a wealth of mystery and mortal danger. Dashing lawyer Justin Cameron well nigh sweeps Fremont Jones off her feet and into a situation ripe with perilous intrigue. A client meets an untimely death that Fremont suspects is linked to the paper she typed for him of which she can recall but one small fragment. And her attempts to disentangle reality and imagination in the gothic tales penned by Edgar Allan Partridge whose demeanor is one of terror under the barest restraint send her up the rocky California coast on a mission of discovery from which she may not return. A riveting atmospheric mix of intrigue and humor introduces a new investigator as cultivated as Sherlock Holmes and as spunky as Kinsey Millhone.

Emperor Norton's Ghost Dianne Day, 2009-10-14

Caroline Fremont Jones revels in her return to San Francisco where a new city rises from the ruins of the 1906 earthquake. Even more rewarding is her business partnership and rekindled love with ex spymaster Michael Archer Kossoff. But their private investigation agency is barely off the ground when Fremont's new friend, lovely but quirky Frances McFadden becomes their first client and it's a most troubling case. The adventurous but skeptical Fremont, lured by Frances to a séance, sees her companion fall into a disturbing trance. Despite the opposition of her powerful, controlling husband, Frances is determined to develop her budding psychic ability. Soon she confides to Fremont that a restless spirit from San Francisco's legendary past has entrusted her with a mission. But when one of the city's female mediums is murdered and then another, Fremont's reservations turn to dread. Who has killed these women who wield their own power in the metaphysical world and why? As Fremont's investigation takes her into the murky depths of spiritualism, she places not only herself but also her dearest friends in mortal danger.

The Armchair Detective, 1997 Mystery

Women, Volume Three (Revised) Colleen Barnett, 2010-12-31

Like other fictional characters, female sleuths may live in the past or the future. They may represent current times with some level of reality or shape their settings to suit an agenda. There are audiences for both realism and escapism in the mystery novel. It is interesting, however, to compare the fictional world of the mystery sleuth with the world in which readers live. Of course, mystery readers do not share one simplistic world. They live in urban, suburban, and rural areas as do the female heroines in the books they read. They may choose a book because it has a familiar background or because it takes them to places they long to visit. Readers may be rich or poor, young or old, conservative or liberal. So are the heroines. What incredible choices there are today in mystery series. This three-volume encyclopedia of women characters in the mystery novel is like a gigantic menu. Like a menu, the descriptions of the items that

are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 *The Bohemian Murders* Dianne Day,1998-03-30 Forced to leave San Francisco after the devastating earthquake of 1906 Fremont n e Caroline Jones follows her heart to the bohemian beach community of Carmel by the Sea She is eager to be reunited with her elusive suitor retired spymaster Michael Archer but finds him mysteriously metamorphosed into Misha otherwise occupied and decidedly unavailable for sleuthing But the irrepressible Fremont Jones has her pride and determined to restart her typewriting business part time she signs on as temporary keeper of the Point Pinos Lighthouse She has barely settled in to her watch when a velvet clad corpse washes in on the tide and Fremont is off on a new and ultimately life threatening quest Starting with the free spirited artists of Carmel she searches for clues to the identity of the dead woman and uncovers a community filled with intrigue violence and plenty of motives for murder When Fremont is attacked and robbed her lighthouse torched and the artist helping her turns up missing she realizes she is perilously close to the truth And that the next body to drift in on the tide might well be her own **Death Train to Boston** Dianne Day,2007-12-18 Autumn 1908 finds Caroline Fremont Jones and her partner in love and work Michael Kossoff traveling incognito riding the rails from San Francisco to Boston The railroad hired the sleuthing couple to investigate a series of accidents But before they can solve the mystery they become victims of the worst mishap yet when their train blows up near Salt Lake City Was it a callous act of vandalism or something even more sinister Michael isn t about to let his injuries slow down his search for answers or for Fremont who has not been seen since the accident dead or alive Fortunately the badly injured Fremont was rescued from the train s wreckage But her unlikely savior the leader of a breakaway Mormon sect has hidden her away in his remote wilderness community It seems that Melancthon Pratt has big plans for Fremont not the least of which is for her to become his sixth wife Now Fremont s only hope is that her genius for artifice will help her devise an escape That is unless Michael shadowed by an old nemesis and a mysterious stranger can find her before a heartless killer claims both their lives **Beacon Street Mourning** Dianne Day,2001 After Fremont Jones father is sent home from a Boston hospital he dies in the middle of the night and Fremont and her life partner Michael Archer suspect her stepmother Augusta until Augusta herself is shot to death Emperor Norton's Ghost Dianne Day,1999-06 Fremont Jones first murder investigation as partner with mate Michael Archer in their new detective agency formed in San Francisco after the Great Earthquake involves a flighty female spiritualist her lover and two murdered mediums **Kliatt Young Adult Paperback**
