Fire In The Fireplace Charismatic Renewal In The Nineties:

Fire in the Fireplace Charles E. Hummel,1993 Charles E Hummel examines the charismatic renewal its biblical roots influence on many Christian traditions and new expressions **The Spirit of Enthusiasm** Susan A. Maurer,2010-08-14 In February 1967 a group of Catholic faculty members and students attending a spiritual retreat at Duquesne University experienced what they called a baptism in the spirit The experience of the Duquesne Weekend spread rapidly to other college campuses in the Midwest and then throughout the United States The Spirit of Enthusiasm examines the historical development of the American Catholic Charismatic Renewal from the early influences of the Spanish Cursillo movement through the initial baptism in the spirit event at Duquesne University in 1967 and the Renewal s subsequent development through the end of the 20th century The influence of the Second Vatican Council on the movement and changes both within the movement itself as well as in its relationship with the church are explored Similarities to and differences from the Protestant Pentecostal movement of the 20th century and the nature of Charismatic spirituality are also examined

Defining Issues in Pentecostalism Steven M. Studebaker,2008-03-01 This book brings together the papers presented at the McMaster Divinity College 2007 Pentecostal Forum Defining Issues in Pentecostalism Classical and Emergent It highlights the defining topics past and present of Pentecostal theology The chapters are grouped under Pentecostal theology and biblical studies with selections on classical and contemporary issues in each category This book provides an introduction to the classical doctrines of Pentecostalism and key contemporary developments in Pentecostal theology in one volume Professors desiring to introduce students to Pentecostalism will find here a concise and accessible introduction to the defining historical and contemporary issues God's Opportunity Athanasios Scott Tonk,2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity **The Pentecostal Paradox** G. J. Hocking,2019-07-11 In 1906 a new religious phenomenon emerged from California Then just over sixty years later a million fold expansion occurred What was the catalyst for this explosion of growth The Pentecostal Paradox explores the history and rise of a new religious movement called the Pentecostals Drawing on eyewitness accounts newspaper articles of the day and other long forgotten sources author G J Hocking weaves together an accurate history of the movement to the present day Filled with fascinating stories the mailing

lists of over 50 000 subscribers go missing a preacher hijacked the pulpit causing untold havoc a report of flames shooting fifty feet in the air The Pentecostal Paradox asks Were these events fact fiction or real phenomena In this timely work California the Charismatic Cradle features prominently as the author juxtaposes the rise of Pentecostalism with both the California gold rush and the San Francisco earthquake Eventually a God Rush occurred in 1906 as many rushed to Azusa Street Los Angeles How will this book shed light on this vast group What next for Pentecostalism These questions are answered in a candid and yet concise way in this much needed analysis of the Pentecostal movement *The Doctrine of the Holy Spirit* Yacob Godebo,2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit s presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha *Discerning the Spirit(s)* Amos Yong,2019-03-08 Efforts to construct a Christian theology of religions have inevitably stumbled on the Christian scandal of particularity the historical Jesus of Nazareth What however if we began by focusing on the universal presence and activity of God in the world as symbolized by the Holy Spirit Yong develops just such a pneumatological approach to religions drawing by way of resource on the Pentecostal charismatic experience of the Spirit This book thus invites Pentecostals charismatics and other Christians to conceive of how a pneumatological approach to religions can invigorate the wider ecumenical conversation At the same time it also brings recent Pentecostal charismatic scholarship into dialogue with a broader audience including those interested in philosophical theology world religions global spiritualities and comparative religion and theology *Spirit of the Last Days* Peter Althouse,2003-10-01 Early Pentecostals proclaimed the restoration of the charismatic gifts as a sign of the imminent coming of Christ This eschatology was later marginalized by the rise of fundamentalist dispensationalism Today Pentecostal eschatology is being revised to include a more transformative view of the kingdom This boook proposes a further revision of Pentecostal eschatology created to recover prophetic elements of early

Pentecostalism that invite a responsible social engagement in the world and to overcome fundamentalist assumptions which have crept into Pentecostal theology in its middle years To this end the eschatological thought of selected Pentecostal theologians is placed in dialogue with Jurgen Moltmann This dialogue critiques fundamentalist tendencies within contemporary Pentecostalism by advocating a theology more open to history and creation and a Pentecostal ethic both personal and social in scope

Satanism: A Social History Massimo Introvigne, 2016-08-29 A 17th century French haberdasher invented the Black Mass An 18th century English Cabinet Minister administered the Eucharist to a baboon High ranking Catholic authorities in the 19th century believed that Satan appeared in Masonic lodges in the shape of a crocodile and played the piano there A well known scientist from the 20th century established a cult of the Antichrist and exploded in a laboratory experiment Three Italian girls in 2000 sacrificed a nun to the Devil A Black Metal band honored Satan in Krakow Poland in 2004 by exhibiting on stage 120 decapitated sheep heads Some of these stories as absurd as they might sound were real Others which might appear to be equally well reported are false But even false stories have generated real societal reactions For the first time Massimo Introvigne proposes a general social history of Satanism and anti Satanism from the French Court of Louis XIV to the Satanic scares of the late 20th century satanic themes in Black Metal music the Church of Satan and beyond **The Oxford Handbook of Ecclesiology** Paul Avis, 2018-06-28 The Oxford Handbook of Ecclesiology is a unique scholarly resource for the study of the Christian Church as we find it in the Bible in history and today As the scholarly study of how we understand the Christian Church s identity and mission ecclesiology is at the centre of today s theological research reflection and debate Ecclesiology is the theological driver of the ecumenical movement The main focus of the intense ecumenical engagement and dialogue of the past half century has been ecclesiological and this is the area where the most intractable differences remain to be tackled Ecclesiology investigates the Church s manifold self understanding in relation to a number of areas the origins structures authority doctrine ministry sacraments unity diversity and mission of the Church including its relation to the state and to society and culture The sources of ecclesiological reflection are the Bible interpreted in the light of scholarly research Church history and the wealth of the Christian theological tradition together with the information and insights that emerge from other relevant academic disciplines This Handbook considers the biblical resources historical development and contemporary initiatives in ecclesiology It offers an invaluable and comprehensive guide to understanding the Church *Sanctus* David T Williams, 2010-12-06 Even a cursory glance at the moral state of society and regrettably often including the Church shows a remarkable lack of holiness Yet God commanded us to be holy as he is holy Is not the lack of holiness at the root of much of the weakness of today s church This in depth study of sanctification centres on what God Father Son and Holy Spirit has done to make us holy and what the Christian response should be It understands sanctification as both demanded by and dependent upon justification an ongoing process coupled with distinct events of grace Christ has died for us to enable forgiveness sanctification is the development of the life of Christ in us A feature of the book is its provision of several illustrations of the path of Christian sanctification *Vinculum Amoris* David Williams, 2004-05 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third

Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord s Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author s prayer is that this book will do just that for God s people and for his Church **The Living Church** ,1994-07 **Spiritual Power and Missions** Edward Rommen,1995-06-01

Spiritual Power and Missions Raising the Issues This third volume in the EMS series represents a conversation between five renowned missiologists who raise important questions about spiritual powers in missions In chapter one the authors examine specific ideas commonly found in missiological literature concerning spiritual warfare They contend that several popular assumptions are based on animism and magic rather than biblical teaching In chapter two Charles Kraft offers a counterargument explaining how Christians can exercise their God given authority in the spirit realm He addresses key methodological issues such as the role of experience and its relationship to biblical interpretation Finally Patrick Johnstone reflects on the ministry of the Holy Spirit He explores how intercessory prayer contributes to the task of world evangelization His chapter brings balance to people s common tendency only to focus on demonic powers Overall **Spiritual Power and Missions** presents a balanced and engaging debate that will spur fresh missiological conversations **Systematic**

Ten Great Ideas from First Corinthians George Renner, Mark Shaw, 2021-10-19 First Corinthians is one of the most relevant NT documents for both younger churches seeking maturity in the majority world and older churches seeking renewal in the Western world in the twenty first century The reason this epistle is so relevant is that it focuses on renewing the church through believing and living out the good news that because of Jesus s death and resurrection God has begun his new creation agenda amid the broken world of today This is not just another commentary there are many very good ones but rather we present a biblical theology of church renewal based on solid exegesis and our experience as teachers and pastors in both Africa and North America This book will pull out the essential teaching of Paul on renewal in ten manageable principles or great ideas Church renewal is not just following certain steps but results from nurturing a culture that practices both cross power and a life of new creation hope When churches make the shift from traditionalism to radical community and evangelical activism through a new experience of the gospel seen as both personal liberation and the transformation of all things the church begins to move and the world begins to change
