Fire That Engenders Fire Paperback By White Steven F:

Collected Poems Federico García Lorca, 2018-08-14 A revised edition of this major writer's complete poetical work And I who was walking with the earth at my waist saw two snowy eagles and a naked girl The one was the other and the girl was neither from Qasida of the Dark Doves Federico García Lorca was the most beloved poet of twentieth century Spain and one of the world's most influential modernist writers His work has long been admired for its passionate urgency and haunting evocation of sorrow and loss Perhaps more persistently than any writer of his time he sought to understand and accommodate the numinous sources of his inspiration Though he died at age thirty eight he left behind a generous body of poetry drama musical arrangements and drawings which continue to surprise and inspire Christopher Maurer a leading García Lorca scholar and editor has brought together new and substantially revised translations by twelve poets and translators placed side by side with the Spanish originals The seminal volume Poet in New York is also included here in its entirety This is the most comprehensive collection in English of a poet who as Maurer writes in his illuminating introduction spoke unforgettably of all that most interests us the otherness of nature the demons of personal identity and artistic creation sex childhood and death

Selected Verse Federico García Lorca, 2018-08-14 Selected verse from the poet who expanded the scope of lyric poetry Rafael Campo The Washington Post The work of Federico García Lorca Spain's greatest modernist poet has long been admired for its emotional intensity and metaphorical brilliance The revised Selected Verse which incorporates changes made to García Lorca's Collected Poems is an essential addition to any poetry lover's bookshelf In this bilingual edition García Lorca's poetic range comes clearly into view from the playful Suites and stylized evocations of Andalusia to the utter gravity and mystery of the final elegies confirming his stature as one of the twentieth century's finest poets *Play Among Books* Miro Roman, Alice_ch3n81, 2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science
