Part 2: A Shot in the Dark finds Maryl at the end of her freshman year at a small college. On a scholarship Maryl tries to find a balance between academia, athletics and recreation; in addition she must maintain a part-time job and keep her boyfriend at bay until the time is right and then the past intrudes in the form of the young man she helped put in jail who has been released and wastes no time making her aware of it. A ghost appears from the past further complicating matters. Faced with choices she never asked for, Maryl must choose between helping someone she thought was lost to her forever, keeping her scholarship or her personal integrity and in the end protecting herself from a terrible fate.
