You Say Tomato, I Say Shut Up Annabelle Gurwitch, Jeff Kahn, 2011-02-08 In this hilarious and ultimately moving memoir comedians and real life married couple Annabelle Gurwitch and Jeff Kahn prove that in marriage all you need is love and a healthy dose of complaining codependence and pinot noir After thirteen years of being married Annabelle and Jeff have found We're just not that into us Instead of giving up they've held their relationship together by ignoring conventional wisdom and fostering a lack of intimacy by using parenting as a competitive sport and by dropping out of couples therapy The he said she said chronicle of their intense but loving marriage includes an unsentimental account of the medical odyssey that their family embarked upon after their infant son was diagnosed with VACTERL a very rare series of birth defects Annabelle and Jeff's unforgivingly raw uproariously funny story is sure to strike both laughter and terror in the hearts of all couples not to mention every single man or woman who is contemplating the connubial state Serving up equal parts sincerity and cynicism *You Say Tomato I Say Shut Up* is a laugh out loud must read for everyone who has come to realize that being in love can only get you so far On Cohabitation He says Within days of Annabelle's arrival I became very aware that she demanded solitude and had the housekeeping habits of a
