A Flyfisher's World Nick Lyons, 2013-06-01 This ample selection of articles and essays by one of America's most popular writers about fly fishing begins with a moment on Michigan's Au Sable River the exact moment when the author lost his heart to fly fishing This collection chronicles a fishing life punctuated by a revealing trip with one of his grown sons and mellow reflections from a hospital bed This is the broadest of Nick Lyons's books with sections on tarpon and pike fishing in the Marquesas and in France bass bugging on a small Connecticut pond and trout fishing on unnamed creeks and blue ribbon western rivers as well as reflections on such aspects of the sport as the flies that are the underpinning of it all the pursuit of records the odd characters he's met along the way and the increasing challenge of crowds who pursue this ever popular sport By turns canny hilarious inquiring and philosophic *A Flyfisher's World* is an impressive addition to Nick Lyons's important body of writing about fly fishing

Reading the Water Mark Hume, 2022-05-10 A father shares the joys of fly fishing with his daughters A heartfelt beautifully written celebration of the wonders of nature and comfort of family Kirkus STARRED Fishing was Mark Hume's passion since he was a young boy a lifeline through a childhood marked by his family's frequent moves When he became a father he knew he wanted to pass on his love of water fishing and the natural world to his daughters Most of all he wanted to give them hope for their future even as they were coming of age during uncertain times As soon as they were old enough Mark taught his girls how to read the water and see the patterns in nature He showed them how to cast how to catch fish and release them and only when needed how to kill them He discovered that fly fishing and fatherhood require many of the same skills patience flexibility and the knowledge of when to reel in and when to let go Illuminating and heartfelt *Reading the Water* is a much needed positive story about a father raising daughters and a meditation on finding faith in a deep connection with the natural world

Book jacket *Flyfisher's Guide to New England* Zambello, Lou, 2016-04-15 This completely new flyfishing guide to New England is the best flyfishing guide ever on this fishery-rich and historic area. Fly-Fishing Secrets of the Ancients Paul Schullery, 2013-02-15 Modern fly fishing is only the latest chapter in a two-millennia saga of technological creativity and passionate observation of the natural world. In *Fly Fishing Secrets of the Ancients*, historian-naturalist Paul Schullery explores the earlier chapters in that saga and unearths a host of provocative theories, techniques, and insights that helped shape the modern fly fisher. Schullery demonstrates that whether we're looking for a good fish story, a clearer understanding of why we fish the way we do, or even a way to improve our own sport, we ignore our elders at our peril. *Fly Fishing Secrets of the Ancients* offers the beginning fly fisher an unprecedented opportunity to come to terms with some of the sport's most fundamental theoretical and practical challenges. It offers the expert fly fisher a chance to test current angling dogma and his or her own pet theories against that of the sport's greatest past masters. And it offers all readers a fresh, probing, and often humorous take on the great, endless fish story we perpetuate and enrich every time we cast a fly.
