foundations are crumbling in much the same way the foundations of these ancient superpowers turned to dust and ruin. These once great historical titans now stand as crumbling ruins viewed by today's tourists. They are seen as once great mighty nations that once were but never more shall be. Likewise our foundations are turning into quicksand. Within the pages of this book Jesus is calling us back to his teachings which served us so well. Yes it is in these teachings that we find personal national and cultural salvation and hope for a future. Here in his teachings we will find the rock solid foundation for our ever increasingly crumbling quicksand world.
