

# FOLK LORE, OR, SUPERSTITIOUS BELIEFS IN THE WEST OF SCOTLAND WITHIN THIS CENTURY

James Napier

---

With an Appendix Showing the Probable Relation of the  
Modern Festivals of Christmas, May Day, St. John's Day, and  
Halloween, to Ancient Sun and Fire Worship

# Folk Lore Or Superstitious Beliefs In The West Of

**William Swan Sonnenschein**

## **Folk Lore Or Superstitious Beliefs In The West Of:**

History of British Folklore Richard Mercer Dorson, 1999 First published in 1999 Routledge is an imprint of Taylor Francis an informa company     *The Journal of American Folklore* ,1896     **The Science of Folk-Lore** Alexander Haggerty Krappe, 2018-12-14 First published in 1930 this volume aimed to provide an overview of folk lore which contrasted with the Anthropological school Consciously working in the legacy of Savigny and the Brothers Grimm the author explored the unrecorded traditions found within popular fiction custom belief magic and ritual attempting a reconstruction of humanity's spiritual history through popular rather than elite voices The work was intended to prove useful to scholars of related fields to folk lore with hopes of eventual interdisciplinarity     **Witchcraft and Folk Belief in the Age of Enlightenment** Lizanne Henderson, 2016-04-08 Taking an interdisciplinary perspective Witchcraft and Folk Belief in the Age of Enlightenment represents the first in depth investigation of Scottish witchcraft and witch belief post 1662 the period of supposed decline of such beliefs an age which has been referred to as the long eighteenth century coinciding with the Scottish Enlightenment The late seventeenth and early eighteenth centuries were undoubtedly a period of transition and redefinition of what constituted the supernatural at the interface between folk belief and the philosophies of the learned For the latter the eradication of such beliefs equated with progress and civilization but for others such as the devout witch belief was a matter of faith such that fear and dread of witches and their craft lasted well beyond the era of the major witch hunts This study seeks to illuminate the distinctiveness of the Scottish experience to assess the impact of enlightenment thought upon witch belief and to understand how these beliefs operated across all levels of Scottish society     **The Folk-lore Record** Folklore Society (Great Britain), 1879     Western Scottish Folklore and Superstitions James Napier, 2008-11 Discover the old folklore of Western Scotland Even at the turn of the 19th century Scots kept alive a rich trove of superstitions and beliefs from cradle to grave In the pages of this classic volume of lore readers can discover a wealth of crafted charms folk medicine fortune telling second sight as well as the eerie threats of witchcraft that worried local men and women around Glasgow     *Interpreting Folklore* Alan Dundes, 1980-08-22 Dundes has produced a work which will be useful to both students and teachers who wish to broaden their understanding of modern folklore Center for Southern Folklore Magazine It is impossible ever to remain unimpressed with Dundes excursions however much one may be in disagreement or not with his conclusions Forum for Modern Language Studies Often controversial Alan Dundes's scholarship is always provocative perceptive and intelligent His concern here is to assess the material folklorists have so painstakingly amassed and classified to interpret folklore and to use folklore to increase our understanding of human nature and culture

**Encyclopaedia of Superstitions** Edwin Radford, Mona Augusta Radford, 1961 Containing more than two thousand superstitions of Britain ranging over the past six hundred years and extending down to the present day this book demonstrates that superstitions are world wide and inherent in all peoples of the world in exactly identical forms of fear and

avoidance      **Magical Medicine** Wayland D. Hand, 2023-04-28 Distilling baby's first tear into the eye of a blind man to make him see Plucking herbs upward for emetics and downward for purgatives Stroking one's goiter with a dead man's hand to make the growth shrivel away these are not beliefs and customs found among primitive peoples in remote parts of the world but are examples of hundreds of items of magical medicine found in Professor Hand's remarkable collection of essays dealing with this neglected field in twentieth century Europe and America Fantasy and imagination still have free reign in people's lives more than any of us will admit In a time when science is preeminent irrational thinking can lay hold on the mind of man as much as in olden times Folk medicine has expanded in recent years to include holistic medicine and other forms of alternative medicine but little attention has been paid to magical medicine Despite the benefits of medical science in an advance culture the magical medicine of Europe and America has clung to an unusually rich and original body of magical lore that lies at the base of its folk medical thought Ethnomedicine in the inner cities of America can be better understood by practitioners who know something about folk medicine and especially if they know some of the basics of magical medicine This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980      **A Treasury of British Folklore** Dee Dee Chainey, 2018-10-26 An entertaining and engrossing collection of British customs superstitions and legends from past and present Did you know in Cumbria it was believed a person lying on a pillow stuffed with pigeon's feathers could not die Or that green is an unlucky colour for wedding dresses In Scotland it was thought you could ward off fairies by hanging your trousers from the foot of the bed and in Gloucestershire you could cure warts by cutting notches in the bark of an ash tree You've heard about King Arthur and St George but how about the Green Man a vegetative deity who is seen to symbolise death and rebirth Or Black Shuck the giant ghostly dog who was reputed to roam East Anglia In this beautifully illustrated book Dee Dee Chainey tells tales of mountains and rivers pixies and fairy folk and witches and alchemy She explores how British culture has been shaped by the tales passed between generations and by the land that we live on As well as looking at the history of this subject this book lists the places you can go to see folklore alive and well today The Whittlesea Straw Bear Festival in Cambridgeshire or the Abbots Bromley Horn Dance in Staffordshire for example or Wassailing cider orchards in Somerset      *Articles on Folklore* Archer Taylor, 1917      **Class A, Theology. B, Mythology and folklore. C, Philosophy. 1910** William Swan Sonnenschein, 1910      **...Religions: Philosophy of Religion, Folk-lore, Ethnic Religions** Newberry Library, 1925      **The Mothers** Robert Briffault, 1927      *Balder the Beautiful* Sir J. G. Frazer,      Scottish Customs Margaret Bennett, 2012-12-10 A highly readable and absorbing anthology of traditional Scottish customs and rites of passage *Scottish Customs from the Cradle to the Grave* draws upon a broad range of literary and oral sources Scotland has been fortunate to have written accounts of intrepid early

travellers such as Martin Martin Edward Burt and John Lane Buchanan and extracts from their writing are found alongside modern interviews made by Margaret Bennett and researchers from the School of Scottish Studies at Edinburgh University This expanded edition includes a large amount of new material The result is a detailed and comprehensive picture of social behaviour in Scotland over the last 400 years The book is divided into three sections each covering a stage in the cycle of life Childbirth and infancy Love courtship and marriage Death The first edition was originally published by Polygon and was joint runner up of the 1993 Katharine Briggs Folklore Award **The Science of Fairy Tales** Edwin Sidney Hartland, 1891

The Golden Bough: Adonis, Attis, Osiris. The Myth of Adonis James George Frazer, 1911 Frazer's series which attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought **Folklore Of Scottish Lochs And Springs** J.M. Mackinlay, This book explains and interprets the origin of superstitions connected with Scottish lochs and springs It sheds light on how these misinterpretations have come about and how the imagination can distort reality Partial Contents Worship of Water How Water became Holy Saints and Springs Stone Blocks Healing and Holy Wells Water Cures Water Spirits Charm Stones Sun Worship and Well Worship Wishing Wells **Folklore of Scottish Lochs and Springs** James Murray Mackinlay, 1893
