The King who Rides a Tiger Patricia Hitchcock, 1966 Folktales of Newfoundland Pbdirect J.D.A. Widdowson, Herbert Halpert, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator s language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active form in Newfoundland the researchers set out to discover if this was in fact the case **The golden sand** DR. KASHIRAJ UPADHAYA, 1971-04-01 When Sakhwal accidentally gets some sand intended for the king he has no idea that it will turn to gold and change his life Dravyashah uses his wits to win the kingdom of Liglig in the Himalayas He is horrified when his brother demands the kingdom from him When Dravyashah refuses to give up his kingdom it looks like war will break out between the two brothers and their kingdoms The stories in this collection come from the mountain country of Nepal Though Nepal is very close to India and shares so much of its culture these stories have a flavour all their own **Folktales of Newfoundland Pbdirect**
