From Self To God:

The Self-Disclosure of God William C. Chittick, 2015-03-26 The Self Disclosure of God offers the most detailed presentation to date in any Western language of the basic teachings of Islam's greatest mystical philosopher and theologian. It represents a major step forward in making available to the Western reading public the enormous riches of Islamic teachings in the fields of cosmology, mystical philosophy, theology, and spirituality. The Self Disclosure of God continues the author's investigations of the world view of Ibn al Arab, the greatest theoretician of Sufism and the seal of the Muhammadan saints. The book is divided into three parts dealing with the relation between God and the cosmos, the structure of the cosmos, and the nature of the human soul. A long introduction orients the reader and discusses a few of the difficulties faced by Ibn al Arab's interpreters. Like Chittick's earlier work *The Sufi Path of Knowledge*, this book is based primarily on Ibn al Arab's monumental work *al Futu al Makkiah*. The Meccan Openings. More than one hundred complete chapters and subsections are translated, not to mention shorter passages that help put the longer discussions in context. There are detailed indices of sources, Koranic verses, and hadiths. The book's index of technical terminology will be an indispensable reference for all those wishing to delve more deeply into the use of language in Islamic thought in general and Sufism in particular.

From Self to God Anonymous, 2010-04-28 Most people imagine God as being in heaven and heaven as being very far away up there in the clouds or in nature or out in space somewhere. Consequently, our prayers seem to travel out from us and just fade away or dissipate into the void. After many years of searching, Max, the story's main character, discovers that God is much closer than he had ever imagined. He learns a simple method of connecting with God and feeling His Presence anytime and anywhere. This method is available to everyone. While the story uses the example of an alcoholic life transformed, the spiritual journey is a universal experience. We all seek the same connection and communication. Here is presented the simplest of all possible ways to achieve that experience. *From Self to God* is dedicated to every human being who feels out of place, out of time, separate, or alone. The author's fondest wish is that this story will help you find a state of serenity and peace more comforting than anything you may have imagined.

Freedom from Yourself Alexander King, 2014-06-11 *Freedom from Yourself: Selected Poems from Divan Shams Tabrizi* is a guide written to help set us free from our ignorance and the prison of our minds which keeps us occupied in misery, fear, and guilt. Rumi's teaching is based on the foundations of Sufism, which is divine love, worship, simplicity, and moderation, goodness, consciousness of God, humbleness, and tolerance. The most celebrated relationship in Rumi's spiritual development was with Shams Tabrizi, whom he met in Konya. Through their spiritual teamwork, they enlightened many people and also influenced all the centuries which followed. This guide was written to help people reach their ultimate goal of attaining Nirvana, a state of mind when all our desires subside and we live in total harmony, peace, serenity, and total stillness of the mind. It represents the final goal of Buddhism. *Freedom from Yourself* enables everyone to go deeper into the meaning of Shams Tabrizi's poems and to apply them directly to the everyday.
