From The Beatles To Botham:

From the Beatles to Botham Tim Hudson, 2015-05-15 On February 11 1940 in Prestbury England George Timothy Hudson was born By all rules of inheritance of the day he should have lived a righteous and unblemished life as a cotton merchant middle class respectable and respected But of course rules of the day have never carried much weight with Lord Tim Instead he always sought the path less traveled and then blazed his own detours Lord Tim s life story reads like a kaleidoscope an arbitrary pattern of events and experiences that reveal a beautiful symmetric pattern when given the reflections of time and perspective While a young man Lord Tim was warned to not run with a fast crowd he ran with the fastest He was also told that a man should appear in newspapers only three times in his life when he was born when he married and when he died Lord Time has figured in headlines all of his life Lord Tim s unlikely journey has taken him from cricketer to leading Hollywood DJ to rock and roll promoter to discovering the Moody Blues to coining the phrase flower power to LA property owner renovator and innovator to restaurateur to fiance of Claudia Martin Dean Martin s daughter to husband of four lover of many to Ian Botham s friend and business advisor to owner of a Cheshire mansion with adjoining cricket pitch to world renowned artist Lord Tim has been both penniless and rich not once but several times He has suffered the slings and arrows of outrageous fortune but invariably volleyed them back

From the Beatles to Botham Tim Hudson, 1990-01-01 *The Shorter Wisden 2020* Lawrence Booth, 2020-04-09 The Shorter Wisden is a compelling distillation of what s best in its bigger brother and the 2020 edition of Wisden is crammed as ever with the best writing in the game Wisden s digital version includes the influential Notes by the Editor and all the front of book articles In an age of snap judgments Wisden s authority and integrity are more important than ever Yet again this year s edition is truly a must have for every cricket fan In essence The Shorter Wisden is a glass of the finest champagne rather than the whole bottle WisdenAlmanack

Ian Botham Simon Wilde, 2011-04-14 Ian Botham arrived on the international scene just in time to ride sport s first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for creating tales of

heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn't necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come from *Dino* Nick Tosches,1999-04-13 From dealing blackjack in the small time gangster town of Steubenville Ohio to carousing with the famous Rat Pack in a Hollywood he called home Dean Martin lived in a grandstand guttering life of booze broads and big money He rubbed shoulders with the mob the Kennedys and Hollywood's biggest stars He was one of America's favorite entertainers But no one really knew him Now Nick Tosches reveals the man behind the image the dark side of the American dream It's a wild illuminating sometimes shocking tale of sex ambition heartaches and a life lived hard fast and without apologies The Beatles' Shadow Pauline Sutcliffe,2016-02-25 Stuart Sutcliffe is the most famous contender for the crown of fifth Beatle One of the founding members a close friend of Lennon he left the band after their Hamburg sojourn in order to pursue his promising career as an artist dying shortly thereafter of a brain haemorrhage For years his sister Pauline has tried to protect his memory against the Beatles' need to sanitise their early history and now she is ready to tell the real story In so doing she sheds new light on their formative period the rivalry with McCartney how George Harrison tried to keep the peace the truth about Stuart's intense relationship with Lennon and why Lennon was haunted by guilt over her brother's death And she describes what it was like for those like herself and Cynthia Lennon who have had no choice but to live with the Beatles all their lives Gripping the story of Stuart Sutcliffe holds the key to the birth of pop's greatest group Daily Mail An odd fascinating book MOJO The Cambridge Companion to the Beatles Kenneth Womack,2009-11-12 From Please Please Me to Abbey Road the fascinating story of the Fab Four's creation works and enduring musical legacy *Blues & Beatles* Neil Roberts,2013-03-07 Duncan Ferguson David Moyes Paul McCartney A father and a son A passion for Everton A passion for The Beatles *Blues Beatles* is the story of football and music across the generations The story of how a young boy inherited those fascinations from his father and would one day pass them on to his own son And it's the story of how he met his heroes along the way From legendary footballers to a 20th Century icon one of the Fab Four *Blues Beatles* is a football story and a music story But above all else it's a story shared by father and son The Best Book of Useless Information Ever Noel Botham,2007-09-10 Hot on the heels of the sensational success of the World's Greatest Book of Useless Information the Official Useless Information Society brings you another essential compendium of everything you never needed but always wanted to know Were you aware for example that cigarettes contain honey Or that a ferret will die if it cannot find a mate Would you like to know what Madonna did before she was famous or how many toothpick accidents there are every year If you are a lover of the wonderfully pointless then this is the book for you

Books ,1990 **The British National Bibliography** Arthur James Wells,2002 **The Mammoth Book of Useless**

Information Noel Botham,2012-10-11 Did you know The Sumerians were the first to brew beer and all the brewers were women If you didn't then read on If you are intrigued by the odd fascinated by the fantastic or tickled by trivia then this is the book for you The Useless Information Society was formed by some of Britain's best loved journalists writers and entertainers including Keith Waterhouse Richard Littlejohn Suggs Noel Botham Ken Stott and Brian Hitchen They meet regularly to swap new nuggets of trivia This is the eighth collection of their absorbing hilarious and wholly useless facts An absolutely enormous collection lose yourself in hundreds of pages of endlessly diverting facts that will keep you amused for hours

The Channel Islands , **No Surrender** Dave Bowler,2013-06-13 The unauthorised biography of the world's most entertaining and Britain's most successful cricketer all rounder In his prime year in year out Ian Botham provided the most memorable moments of the cricketer's season Yet there has always been more to Botham than just cricket and this biography examines why he inspires both admiration and fury in his fans Primarily a celebration of Botham and cricket NO

SURRENDER explores the life and times of the most important cricketer of the past quarter century *The Book of Useless Information* Noel Botham,2006-06-27 What you may so cavalierly call useless information could prove invaluable to someone else Then again maybe not But to The Useless Information Society any fact that passes its gasp inducing not a lot of people know that test merits inclusion in this fascinating but ultimately useless book Did you know or do you care That fish scales are used to make lipstick Why organized crime accounts for ten percent of the United States's annual income The name of the first CD pressed in the United States The last year that can be written upside down or right side up and appear the same The shortest performance ever nominated for an Oscar How much Elvis weighed at the time of his death What the suits in a deck of cards represent How many Quarter Pounders can be made from one cow How interesting useless information can be The Book of Useless Information answers these teasers and is packed with facts and figures that will captivate you and anyone who shares your joy in the pursuit of pointless knowledge **George Harrison on George Harrison** Ashley

Kahn,2020-08-04 2022 ASCAP Foundation Special Recognition Deems Taylor Virgil Thomson Book Award in Pop Music George Harrison on George Harrison is an authoritative chronologically arranged anthology of Harrison's most revealing and illuminating interviews personal correspondence and writings spanning the years 1962 to 2001 This compendium of his words and ideas proves that point repeatedly revealing his passion for music his focus on spirituality and his responsibility as a celebrity as well as a sense of deep commitment and humor Though known as the Quiet Beatle Harrison was arguably the most thoughtful and certainly the most outspoken of the famous four **How Cricket Saved My Life** Ian

Martin,2022-05-31 An honest often sad but humorous account of life inside a body that no longer does as it is told Ian Martin was a sports loving youngster When he realised he was more enthusiastic than talented enough to make a career out of playing sport he left home and joined the Royal Navy This book tells the story of his experiences at sea onboard HMS Ark Royal his service during the first Gulf War on HMS London and his subsequent medical discharge after being diagnosed with

a neuro muscular condition Ian talks about the impact of the diagnosis his deterioration and mental health battles and how cricket helped him transition into a wheelchair and to him finding himself and a new career It s a tale of rejection dreams discovery determination resilience and ultimately success via the floors of many hotel bathrooms and scrapes with airport security String Fellows Colin Bateman,2010 Colin Bateman the cricket correspondent for the Daily Express has written this hilarious account of what happens when he and a disparate group of friends aged 19 71 set off for a 1100 mile charity bike ride around all 18 of the cricket counties of England and Wales They had no idea what perils lay in wait around the next bend And neither did the guest riders who joined them for a day here and there and included former England cricketers Angus Fraser and Steve James both of whom have contributions to make to this tale of two wheels String Fellows reveals the tensions that build up when six good friends are taken out of their comfort zone for 16 days of pain and pleasure in the saddle The story takes us around the by ways of Britain exploring its curious folk and folklore It tells very personal tales of each county cricket club and what exactly makes Britain grate when viewed from the saddle on another back breaking climb into a cruel head wind You do not have to like cycling to cricket to enjoy this humorous tale but by the end of it you probably will **I write, therefore I am** Suresh Subrahmanyam,2022-02-22 This is second volume of reminiscences and reflections There is no subject under the sun that does not come under his genial ironic and satirical gaze Nostalgia and current affairs are dealt with in a serenely personal and free flowing style displaying a deep and abiding love for the English language For the reader there is something to dip into and find relevant even at a random flipping through of the pages This is a book to be kept by your bedside and referred to whenever you re feeling low Your spirits will surely rise *For No One* Alan Bradley,2013-12-20 The Beatles were one of the most important musical phenomena of the twentieth century and together with their manager Brian Epstein it can truly be stated that they changed the world But there were dark aspects to the Beatles story to go along with the million sellers and the record breaking tours Lost opportunities millions of pounds lost or squandered or stolen and the involvement of some very unpleasant characters For No One is the story of the Beatles rise to super stardom and their descent into a petty squabbling break up and a decline highlighted by tragic death and squalid murder and a host of unanswered questions
