Environmental Engineering Dictionary of Technical Terms and Phrases Francis J. Hopcroft, Minh N. Nguyen, 2017-09-20

This reference manual provides a list of approximately 300 technical terms and phrases common to environmental engineering which non English speakers often find difficult to understand in English The manual provides the terms and phrases in alphabetical order followed by a concise English definition then a translation of the term in Vietnamese and finally an interpretation or translation of the term or phrase in Vietnamese Following the Vietnamese translations section the columns are reversed and reordered alphabetically in Vietnamese with the English term and translation following the Vietnamese term or phrase The objective is to provide a technical term reference manual for non English speaking students and engineers who are familiar with Vietnamese but uncomfortable with English and to provide a similar reference for English speaking students and engineers working in an area of the world where the Vietnamese language predominates
