

A watercolor illustration of several tree trunks in various shades of brown, tan, and grey, set against a light, airy background. The trunks are of different thicknesses and are positioned diagonally across the frame, creating a sense of depth and texture. The style is soft and painterly, with visible brushstrokes and a gentle color palette.

Chicano and Chicana Literature Charles M. Tatum, 2022-07-26 The literary culture of the Spanish speaking Southwest has its origins in a harsh frontier environment marked by episodes of intense cultural conflict and much of the literature seeks to capture the epic experiences of conquest and settlement The Chicano literary canon has evolved rapidly over four centuries to become one of the most dynamic growing and vital parts of what we know as contemporary U.S. literature In this comprehensive examination of Chicano and Chicana literature Charles M. Tatum brings a new and refreshing perspective to the ethnic identity of Mexican Americans From the earliest sixteenth century chronicles of the Spanish Period to the poetry and narrative fiction of the second half of the nineteenth century and the first half of the twentieth century and then to the flowering of all literary genres in the post-Chicano Movement years Chicano literature amply reflects the hopes and aspirations as well as the frustrations and disillusionments of an often marginalized population Exploring the work of Rudolfo Anaya Sandra Cisneros Luis Alberto Urrea and many more Tatum examines the important social historical and cultural contexts in which the writing evolved paying special attention to the Chicano Movement and the flourishing of literary texts during the 1960s and early 1970s Chapters provide an overview of the most important theoretical and critical approaches employed by scholars over the past forty years and survey the major trends and themes in contemporary autobiography memoir fiction and poetry The most complete and up to date introduction to Chicana literature available this book will be an ideal reference for scholars of Hispanic and American literature Discussion questions

and suggested reading included at the end of each chapter are especially suited for classroom use
