Frommers Boston 2004:

Frommer's England 2004 Darwin Porter, 2003-09-26 You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around taking you to the places locals like best. Our expert authors have already gone everywhere you might go; they've done the legwork for you and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up to date with exact prices for everything, dozens of color maps and exciting coverage of sports, shopping and nightlife. You'd be lost without us. Completely updated every year, unlike most of the competition, Frommer's England features information on all of the castles, cathedrals, palaces and pubs that await you. In depth, accurate and detailed, Frommer's offers authoritative but fun to use coverage of all the top sights plus lots of off the beaten track towns and attractions. We'll show you the best of London including its world class theater scene, then set off to explore the rest of England. You'll admire the dreaming spires of Oxford, hike the windswept moors and the lovely Lake District, go antiquing in the Cotswolds, tour the spectacular gardens and manor houses of Kent and meet the locals in the most charming country pubs and tea houses. You'll find candid reviews of a huge selection of accommodations in all price ranges from chic boutique hotels and stately country house lodgings to homey B&Bs. It's all accompanied by dozens of color maps, the latest trip planning advice on everything from bargain airfares to rail passes, money saving tips and a complete shopper's guide. [Frommer's Caribbean Cruises & Ports of Call 2004](#) Heidi Sarna, Matt Hannafin, 2003-08-29 A cruise is a complete vacation so it's important that you choose the one that's right for you. Frommer's Caribbean Cruises Ports of Call is the most user friendly, opinionated and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment and overall value and rate them from poor to outstanding. Photos of each ship combine with the text to give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven night cruise aboard Royal Caribbean's Brilliance of the Seas costs 2,099. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 649. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides. Our authors, noted cruise experts who've personally checked out every ship sailing the Caribbean, offer candid and unbiased opinions on them all. They are completely up to date with all the latest developments and the newest ships. You'll also get complete coverage of 35 Caribbean port destinations with advice on how to spend your limited time ashore. *Frommer's Chicago 2004* Elizabeth Canning Blackwell, 2004 **Frommer's Boston 2004** Marie

Frommer's New York City 2004 Brian Silverman, 2003-08-15. In 2001, New York City welcomed 29.5 million domestic visitors, an increase of 80,000 or 0.3% over 2000's 29.4 million domestic visitors. New York City's increase in total domestic visitors was due to a 4.7% jump in domestic travelers from January 1 to September 10 over 2000, an increase large enough to offset New York's 7.5% decrease in domestic visitors after September 11. Before 9/11, overall domestic travel to New York City was up 4.7% from 2000. Following 9/11, overall domestic travel to New York City fell by 7.5% from 2000, compared with the nation's 5.2% decline. As of summer 2002, citywide hotel occupancy rates have rebounded to within one to two percentage points from where they were a year ago. In the aftermath of the terrorist attacks of September 11, 2001, the city has restored public transportation sooner than it was thought possible and continuing to offer bargains and values to travelers, particularly in the downtown area. A city of museums continues to add and expand; more the city's newest is downtown's Museum of Sex.
