## Front Porch:

**Front Porch** Ann Rooney Heuer, 2002      *The Front Porch Revolution* Robert H. Lengel, 2018-07-18 A piece of music is more than the sum and sequence of its notes The spaces between the notes the rests or silences are just as essential Without those spaces the notes do not properly relate to each other and even the most profound composition degrades into mere noise Front porches metaphorically represent those rest spaces in our lives and they are vanishing Without them we are denying ourselves access to our music and possibility and the evidence is clear at all levels of interaction The social and political discourse in this country has of late eroded into noise and acrimony dialogue having been abandoned for weaponized partisan monologues Diatribes and rhetoric are gleefully accelerated like charged particles online and on competing TV news and talk radio shows In fact this dynamic is experienced in meetings of any scale where diverse perspectives clash around topics we care about But ask yourself what is being accomplished beyond gridlock frayed relationships and destructive polarization We need to meet in new ways The Front Porch Revolution is about the need to reassert true conversation and dialogue and reaffirm an earnest commitment to genuine communication If anything is to be accomplished and there is much that needs to be accomplished we must be able to hear ourselves think and be present with our personal stories that give context to that thinking This is more likely to happen on front porches than on the floor of Congress in board rooms in classrooms or on Facebook or Twitter Viewing the world from the front porch invites a new way of thinking about our communication challenges leadership and what we have become in the absence of front porches Based on decades of research and first hand experience at the Center for Professional Excellence at the University of Texas at San Antonio The Front Porch Revolution maps out a lucid thoughtful and hopeful path forward to possibility      Bungalow Jane Powell, Linda Svendsen, 2004 Dissecting the bungalow the author presents the basics of Arts Craftstyle through hundreds of color photographs focusing on the unique furniture and lamp designs as well as the materials used to construct them 15 000 first printing      **Front Porch Tales** Philip Gulley, 2009-10-13 Part Mark Twain part Garrison Keillor Philip Gulley is a breath of fresh air in an over sophisticated and often jaded world Gloria Gaither singer and songwriter Master storyteller Philip Gulley shares tender and hilarious real life moments that capture the important truths of everyday life When Philip Gulley began writing newsletter essays for the twelve members of his Quaker meeting in Indiana he had no idea one of them would find its way to radio commentator Paul Harvey Jr and be read on the air to twenty four million people Fourteen books later with more than a million books in print Gulley still entertains as well as inspires from his small town front porch Perhaps more things were resolved on America's front porches than in any other place and yet so few are being used today With this delightful collection of stories told in a warm and easy style Philip Gulley invites us to sit again on the front porch a place of hearth home and folks we've known Gary Smalley bestselling author and family relationship expert The tales Philip Gulley unveils are tender and humorous filled with sudden unexpected lump in the throat poignancy Paul Harvey Jr American radio
