Steele, 2015-07-15 Excerpt from *Frontier Army Sketches* But here in mountain fastnesses and the dreary isolation of the wilderness you strangely come upon the only genuine chivalry extant in American life I may be taken to task for this wholesale statement for the over busy nervous money getting citizens of this great country claim all good qualities as their own Therefore I will explain Chivalry in its essence means not a careless but a careful regard for the Opinions feelings and personal comfort Of others but more especially of women Besides that it means entire but polite candor and no tricks in trade or anything else It means that the affairs of life are conducted on honor Cap tain Jinks in the wilderness practises this code and has done so for so long that while staid and respectable citizens might smile at his punctilious ness they together with their Wives and daughters would find him a very pleasant companion and might do well to try to find time to imitate some of his very foolish airs About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **FRONTIER ARMY**
