had been in numerous battles In his diaries he constantly complained about the miles and miles of marching through the countryside He and his fellow soldiers seldom had enough food or supplies He helped scour battlefields after the fighting searching for food weapons ammunition and supplies Letter writing was an everyday occurrence Often his poor health required him to help guard the ammunition train or aid with the sick and wounded in various hospitals Some of his writings about fighting especially at Antietam and Gettysburg make us wonder how any of the soldiers survived the war Sugarhill Cheryl Coward,2001 Sugarhill explores what it means to be poor black and female in Central Florida during the late 1970s It is narrated by a wizened young girl named Cassie who lives in a housing project on the very edge of the small city of Hinesville Her world is full of adventure and non stop action in the only place she knows and loves dearly the Sugarhill projects She is a perceptive and acute commentator on the goings on of her neighborhood Her inner world is just as active as she possesses quite a vivid imagination However Cassie s seemingly happy go lucky existence is punctuated by several calamitous incidents as she approaches the end of her elementary school years These incidents reveal widespread change in the neighborhood as the 1980s approach Cassie s mother constantly alert to the changes in the neighborhood works hard to try and move her family from Sugarhill **Color of Desire/Hurricane** Nilo Cruz,2012-01-03 Two new plays by Nilo Cruz the first Latino honored with a Pulitzer Prize for Drama *To Be, Or Not-- to Bop* Dizzy Gillespie,2009 Originally published New York Doubleday 1979 **Spanish Grammar Made Easy** Mike Zollo,Allan Wesson,Alan Wesson,2014-04-08 Spanish Grammar Made Easy is ideal for adult beginners An interactive CD ROM with Spanish audio accompanies the book **The Wheels of Friend** Eric Norland,2020-04-23 This book is one mans attempt to make peace with a world that was on the brink of mutually agreed upon destruction He chose a bicycle as his medium of expression and named it Friend His intent was to go from California and head east until going to The Soviet Union He wanted to meet Soviets and show others that they were alright He made it as far as East Germany but was not allowed travel any farther east From there the traveling cyclist headed for the Mediterranean and the Middle East And then onward around the world He ran out of money after one year of traveling He traveled across large continents like Australi and China and circumvented the Philippines Taiwan South Korea and Japan In all he comes away with a world experience and a new way of looking at the planet The Healer Emma Sargent,2015-12-28 Once upon a time Psychics and Healers were revered They held positions of status and authority They were the closest confidants to Kings Emperors and mighty rulers Over the centuries the Western world changed Psychics and Healers moved underground as though their work had become taboo To admit consulting with one was akin to a belief in faeries witchcraft or even aliens Today there are different classes of Seer Some charge 5 a minute giving readings of a dubious nature over the phone The real Psychic Healer operates by word of mouth Often they are booked weeks and months in advance They consult to the most powerful and wealthy They are privy to information that would boggle the mundane mind They hold court between what is seen and what only they can see They are the holders of truth reveling in the
