Gonzalez,2019-02-26 What is it that makes a person dream and come up with some of the wildest stories one can dare tell to a husband wife friend or stranger First of all are they funny stories or scary stories Are they stories anyone would dare to believe Are they stories that ordinary people would really like to hear about or read about And what in the world created such funny or unbelievable stories Was it stress or was it insomnia Or are we just natural dreamers My stories probably come to me from having too much time in my hands and thinking too much The following stories probably came to me as dreams when I was doing a lot of daydreaming back in the seventies At the time I was pulling my weight while working at White s Auto Store warehouse in the small town of Shallowater Texas I was a certified forklift driver pulling orders license and all I worked in what was called Area 8 I pulled the big boxed toys bicycles and lawn mowers I also pulled the fertilizer bag orders Working inside a warehouse had many disadvantages There was always dust all over the place The warehouse was always hot in summer and pretty cold in winter Many times when it was slow I would let my mind just wander off into oblivion That s when my stories were born and began to take shape Characters and names of characters would pop into my mind out of nowhere

by William Francis Hooker **Rogue** Rachel Vincent,2016-03-14 I know that better than most Since rejoining the Pride I ve made big decisions and even bigger mistakes the kind paid for with innocent lives As the first and only female enforcer I have plenty to prove to my father the Pride and myself And with murdered toms turning up in our territory I m working harder than ever though I always find the energy for a little after hours recreation with Marc my partner both on and off duty But not all my mistakes are behind me We re beginning to suspect that the dead are connected to a rash of missing human women and that they can all be laid at my feet two or four take your pick And one horrible indiscretion may yet cost me more than I can bear **HIV/AIDS in Young Adult Novels** Melissa Gross,Annette Y.
