

The background of the image is a dark, moody photograph of a body of water at night or dusk. A single, colorful hot air balloon with red, blue, and yellow stripes is visible in the center-right, floating above the water. The balloon's reflection is clearly visible on the calm surface below. In the upper left corner, a small, bright white circle, possibly a moon or a distant star, is visible against the dark sky. The quote is written in a clean, white, sans-serif font, centered on the left side of the image. The author's name is in a smaller font, enclosed in a red rectangular box, centered below the quote. At the bottom center, there is a small icon followed by the text '@quoting'.

You can't consider yourself
remarkable, Richard thought,
without being disappointed by
the people around you.

Josh Malerman

Getting Used To Not Being Remarkable

G. S. Jennsen

Getting Used To Not Being Remarkable:

Isn't This Fun? Michael Foley, 2016-06-30 Michael Foley the author of bestselling *The Age of Absurdity* wants to understand why he doesn't appear to be experiencing as much fun as everyone else And so with characteristic wit and humour Foley sets out to understand what fun really means examining its heritage its cultural significance and the various activities we associate with fun He investigates pursuits such as dancing sex holidays sport gaming and comedy and concludes that fun is not easy simple and fixed as many seem to believe but elusive complex and constantly changing In fact fun is a profoundly serious business His findings will invigorate you with insights quite possibly help you to understand why the post post modern is actually the pre pre modern and at the very least make you laugh at life This book is such a wondrous kaleidoscope of rage based on such a deep reading of all the sources that I shall be searching out his other works to read forthwith The man is a marvel Daily Mail

Embracing the Ordinary Michael Foley, 2012-07-05 In recession chastened suddenly staycationing Britain Foley may well have devised a new bestseller format a how to book offering a way of escape a lovely book Guardian It has always been difficult to appreciate everyday life often devalued as dreary banal and burdensome and never more so than in a culture besotted with fantasy celebrity and glamour Yet with characteristic wit and earthiness Michael Foley author of the bestselling *The Age of Absurdity* draws on the works of writers thinkers and artists who have celebrated and examined the ordinary life and encourages us to delight in the complexities of the everyday With astute observation Foley brings fresh insights to such things as the banality of everyday speech the madness and weirdness of snobbery love and sex and the strangeness of the everyday environment such as the office It is all more fascinating comical and mysterious than you think Intelligent funny and entertaining Foley shows us how to find contentment and satisfaction by embracing the ordinary things in life A convincing argument for the beauty of the seemingly banal Scotsman **A**

Companion to Literary Biography Richard Bradford, 2018-09-12 An authoritative review of literary biography covering the seventeenth century to the twentieth century A Companion to Literary Biography offers a comprehensive account of literary biography spanning the history of the genre across three centuries The editor an esteemed literary biographer and noted expert in the field has encouraged contributors to explore the theoretical and methodological questions raised by the writing of biographies of writers The text examines how biographers have dealt with the lives of classic authors from Chaucer to contemporary figures such as Kingsley Amis The Companion brings a new perspective on how literary biography enables the reader to deal with the relationship between the writer and their work Literary biography is the most popular form of writing about writing yet it has been largely neglected in the academic community This volume bridges the gap between literary biography as a popular genre and its relevance for the academic study of literature This important work Allows the author of a biography to be treated as part of the process of interpretation and investigates biographical reading as an important aspect of criticism Examines the birth of literary biography at the close of the seventeenth century and considers its

expansion through the eighteenth nineteenth and twentieth centuries Addresses the status and writing of literary biography from numerous perspectives and with regard to various sources methodologies and theories Reviews the ways in which literary biography has played a role in our perception of writers in the mainstream of the English canon from Chaucer to the present day Written for students at the undergraduate level through postgraduate and doctoral levels as well as academics A Companion to Literary Biography illustrates and accounts for the importance of the literary biography as a vital element of criticism and as an index to our perception of literary history

The Get-Passives as an Emotive Language Device

Norman Knabe, 2009 Seminar paper from the year 2008 in the subject English Language and Literature Studies Linguistics grade 2 University of Hamburg course Language and Emotion language English abstract With forming a passive voiced sentence out of an active voiced sentence certain elements of a situation shall be emphasized By making the recipient of the active voiced form the grammatical subject of the passive voiced sentence its focus becomes reinforced due to the sentence initial position The passive is thus favoured over the active form when the receiver of an action recipient should be focused rather than the performer agent of the action Next to the greater emphasis of the active voice object the passive is used to stress the result of an action which is supported by the possibility of omitting the agent The structure be past participle can be considered as the norm for English passives Since the passive meaning is essentially expressed by past participles be in the structure can also be replaced by other verbs such as get become remain etc Considering be and get passives there seems to be no obvious difference between the two forms However the get passive would not be used at all unless it had a different meaning in comparison to the be passive This paper aims to explore what the distinctive feature of the get passive is A major contribution to answer this question comes from H bler who claims that the get passive is used as means of an emotive language device I will focus mainly though not exclusively on his contribution The Expressivity of Grammar While many authors Hatcher Lakoff Collins etc have tried to analyse the difference in meaning of the two passive forms H bler seems to have covered and united most of the theories leading to the conclusion that the get passive is used to express emotional attachment His theory is depicted in detail in the following chapter This paper should furthermore serve to test H bler s
