*Unlearned & Ignorant Commentary* J.A. Roberts,2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this ever time a book is finished so it updates to the purchaser but if you d like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I ve been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it s a useful tool for you as you dig deeper into God s Word It should also be understood I am not a scholar by any means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience
