Getting Better Will Carter, 2025-01-06 On October 7th 2007 his senior year of high school Will Carter leaves work and heads home to get sleep before re taking the SAT the following morning Three weeks later he wakes up in a hospital bed a trach in my throat covered in IV s and scars confused and with a terrible pain in his head He learns that he has suffered a brain injury and stroke and that he is waking up from a medically induced coma Will takes what scraps and bits he has of his memory to reclaim his story as he takes the reader on a harrowing 7 month journey from his car accident and coma to his recovery and return to high school Will fights the internal battle of wanting to be the person he was before and accepting who he is now He must fight to graduate high school re learn how to walk and re discover how to live his life again He must strive to figure out what getting better really looks like Will must come to terms with God and fight to hold onto his faith He must finally come to see getting better as not something physical but something emotional personal and spiritual

Getting Better , 1995-01-01 Ever since the 1950s when television became ascendent in American popular culture it has become commonplace to bemoan its bad effects Little or nothing however has been said about its good effects With this observation Henry Perkinson introduces his provocative and original analysis of television and culture Rejecting the determinism inherent in most studies of the effects of television we are what we watch he insists that it is people that actively change culture media having no agency to do so Nevertheless he argues that television did facilitate the changes we have made in our culture over the past thirty years In the new epilogue Henry Perkinson discusses the current state of television and the changes that have occurred in the first half of this decade He

examines how reporters have become not just messengers of information but the message itself They become the focus of stories as they search for the scandalous side of all issues and persons Perkinson also shows how America continues to be driven by moralist politics launched and sustained by television

Getting Better Mark Landiak, 2016-04-04 Imagine you are backpacking with your daughter in a remote part of the Grand Canyon and a mysterious illness decides to show up just as you are trying to make the climb out Your chest is pounding youre having trouble breathing and your legs feel like lead but theres no one around to help you You make it out alive only to learn that the climb back to health is going to be even more difficult One doesnt normally connect humor with healing but **Getting Better** is both helpful and at times hilarious The book is an entertaining collection of one patients stories thoughts and philosophies about how to deal with the physical and emotional trials of being seriously injured or ill The author shares what he has learned about how relationships faith mental physical fitness and a sense of humor combine to help one cope with the ups and downs of the healing process If youre a patient youll learn laugh and nod along as we examine some ideas for getting better in some facets of our lives And **Getting Better** isnt just for patients Family members friends and caregivers will also find this book to be entertaining and full of ideas about how they can help the healing process for the people they care about
