Getting Even The Equalizing Law Of Relationship:

Getting Even Philip Lichtenberg, 1988 In this book the author maintains that true vitality can only come about from instituting equality into our relationships He presents a series of essays which combine ideas from professional work in mental health and activist experiences in social movements and inside oppressive institutions to promote a special personal political position aimed at transforming authoritarian institutions into equalitarian ones

Continuity and Change Dan Bloom, Philip Brownell, 2011-08-08 Continuity and Change Gestalt Therapy Now describes what is quite possibly the most unique and significant gestalt therapy organization in the world There are of course many other associations of gestalt therapists but many of them are either much smaller or qualitatively different because they attend to certifying and regulating their members The Association for the Advancement of Gestalt Therapy AAGT does not certify nor regulate its sole purpose is to advance the theory and practice of gestalt therapy through the associating of its members This book both highlights the nature of contemporary gestalt therapy and makes known the existence and nature of the AAGT through the lens of its tenth biennial conference which was held in Philadelphia Pennsylvania USA In 2010 the AAGT returned to the United States for a venue in its biennial conference after having been in Amsterdam in the Netherlands Vancouver Canada and Manchester England Its regional growth had been sustained and its international scope had become expansive The 2010 conference with its theme of continuity and change was a look at contemporary gestalt therapy and it also featured a significant and growing dialogue with recognized leaders in other clinical perspectives The 2010 conference featured many long time recognized colleagues from the field of gestalt therapy including many aging colleagues who trained personally with the founders of gestalt therapy The conference proceedings were rich and varied This book includes papers based on pre conference workshops and conference presentations and panels Chapter contributors emerge from the structure of the conference itself and they include many of the most compelling thinkers and practitioners in the world of contemporary gestalt therapy

Gestalt Therapy Ansel L. Woldt, Sarah M. Toman, 2005-01-20 Gestalt Therapy History Theory and Practice is an introductory text written by major Gestalt theorists that will engage those new to Gestalt therapy Editors Ansel Woldt and Sarah M Toman introduce the historical underpinnings and fundamental concepts of Gestalt therapy and illustrate applications of those concepts to therapeutic practice The book is unique in that it is the first Gestalt text specifically designed for the academic and training institute settings Gestalt Therapy takes both a conceptual and a practical approach to examining classic and cutting edge constructs

Community and Confluence Philip Lichtenberg, 2013-06-17 Bridging the gap between psychology and politics Lichtenberg presents a powerful argument for applying the methods and insights of the Gestalt perspective to social and political problems Focusing on the inner dynamics of power and abuse relationships this thoughtful treatment of victim oppressor fusion has stimulated new thinking about abuse exploitation and the processes and methods essential to personal and political change

Solution Emma Johnson,2024-03-26 There is one proven method for happier kids more involved dads and less stressed out moms after divorce 50 50 custody It s hard for everyone when parents split up but the end of living together doesn t need to mean the end of a functional family Part of the reason divorces are so traumatic for the kids involved is because of our child custody system which truly sets everyone up for failure Throughout the country the default arrangement is for Mom to get majority time with the kids and most of the responsibility of caring for them for Dad to become an occasional visitor and perhaps saddled with massive child support payments and for the kids to lose the stability structure and confidence of knowing they have two equally committed loving parents But it doesn t have to be this way In *The 50 50 Solution* creator of the Wealthy Single Mommy community Emma Johnson showcases the robust research proving that in the vast majority of cases equal timesharing is the best outcome for everyone in a family where the adults no longer live together The 50 50 Solution will show you that equal parenting time leads to Better physical emotional and mental health for children of divorce Higher career earnings for single mothers Fathers who are more engaged and whose rights as parents are preserved Far less parental and legal conflict A progressive forward thinking cultural norm that promotes gender and racial equality for all families regardless of their configuration A few states have already adopted 50 50 custody as the default arrangement and several more are poised to follow Equal parenting time is the custody framework of the future and *The 50 50 Solution* shows readers how it helps our families and communities thrive

Legal Pluralism in Indonesia Ratno Lukito,2013 With the revival of Islamic law and adat customary law in the country this book investigates the history and phenomenon of legal pluralism in Indonesia It looks at how the ideal of modernity in Indonesia has been characterized by a state driven effort in the post colonial era to make the institution of law an inseparable part of national development Focusing on the aspects of political and conflictual domains of legal pluralism in Indonesia the book discusses the understanding of the state s attitude and behaviour towards the three largest legal traditions currently operative in the society adat law Islamic law and civil law The first aspect is addressed by looking at how the state specifically deals with Islamic law and adat law while the second is analysed in terms of actual cases of private interpersonal law such as interfaith marriage interfaith inheritance and gendered inheritance The book goes on to look at how socio political factors have influenced the relations between state and non state laws and how the state s strategy of accommodation of legal pluralism has in fact largely depended on the extent to which those legal traditions have been able to conform to national ideology It is a useful contribution for students and scholars of Asian Studies and Law

Weyrauch,2001-09-12 A unique collection of scholarly essays gathered and reprinted from *American Journal of Comparative Law* 1997 and the *Yale Law Journal* 1993 on the legal traditions of the Roma or Gypsies A fascinating account of how a primarily alien culture functions in a larger social context

Welfare Law Lucy A. Williams,2020-11-26 This title was first published in 2001 Welfare law is a legal field integral to most jurisprudential formulations whether artificially designated as doctrinal theoretical or practical At its core legal discourse regarding welfare

challenges the formulations traditionally viewed as pre legal the background rules of property tort and contract law In addition it affects a large percentage of the world s population highlights the social construction of identities and perhaps more than any other area of law graphically epitomizes the intersection of class race and gender distinctions However within both the legal academy and practice welfare law has been marginalized and viewed as a field that does not connect to any but a small sector of lawyers and legal clients Isolated as an arcane domain of either statutory and regulatory legal minutiae or jurisprudential insignificance welfare law has never realized its potential as a major hub for legal theoretical discourse The articles in this volume seek to expose the roots of the essentialized view of welfare law as nonessential and re establish its value and importance

The Top Books of the Year Getting Even The Equalizing Law Of Relationship The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. Getting Even The Equalizing Law Of Relationship : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Getting Even The Equalizing Law Of Relationship : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Getting Even The Equalizing Law Of Relationship : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
