The People's Court: A Critical Examination Pasquale De Marco, 2025-05-09 The People's Court A Critical Examination examines the problems facing the American justice system and proposes bold reforms to make it fairer and more just for all Pasquale De Marco begins by examining the role of the media in shaping public opinion about crime and justice He argues that the media's sensationalistic coverage of crime has created a climate of fear and mistrust that makes it difficult for the justice system to function properly He also criticizes the media for its role in promoting celebrity justice a system in which celebrities are treated differently than ordinary citizens by the justice system Pasquale De Marco then turns his attention to the high cost of justice He argues that the exorbitant fees charged by defense attorneys and the financial burden on victims and their families are making it impossible for many people to get justice He also criticizes the plea bargain system which he says is often used to pressure innocent people into pleading guilty to crimes they did not commit In the second half of the book Pasquale De Marco proposes a number of reforms to address the problems facing the justice system He calls for a more diverse and representative jury system an end to the death penalty and a reduction in mass incarceration He also proposes a number of reforms to the plea bargain system and the way that defense attorneys are paid Pasquale De Marco concludes by arguing that the future of justice in America depends on the people He calls on citizens to become more involved in the justice system and to demand reforms that will make it fairer and more just for all The People's Court A Critical Examination is a powerful and provocative book that challenges us to rethink the way we think about crime and justice in America Pasquale De Marco offers a clear-eyed assessment of the problems facing our justice system and proposes bold reforms to make it fairer and more just for all If you like this book write a review on google books

Lazarus,Bernadette P. Resurreccion,Nga Dao,Nathan Badenoch,2012-06-25 The Mekong Region has come to represent many of the important water governance challenges faced more broadly by the mainland Southeast Asian region This book focuses on the complex nature of water rights and social justice in the Mekong region The chapters delve into the diverse social political and cultural dynamics that shape the various realities and scales of water governance in the region in an effort to bring to the forefront some of the local nuances required in the formulation of a larger vision of justice in water governance It is hoped that this contextualized analysis will deepen our understanding of the potential of and constraints on water rights in the region particularly in relation to the need to realize social justice The authors show how vitally important it is that water governance is democratized to allow a more equitable sharing of water resources and counteract the pressures of economic growth that may pose risks to social welfare and environmental sustainability *International Journal of Rule of Law, Transitional Justice And Human Rights* , **Transitional Justice in Nepal** Yvette Selim,2018-06-27 The conflict in Nepal 1996 2006 resulted in an estimated 15 000 deaths 1 300 disappearances along with other serious human rights and humanitarian law violations Demands for peace democracy accountability and development have abounded in the post conflict context Although the conflict catalysed major changes in the social and political landscape in Nepal the transitional justice TJ process has remained deeply contentious and fragmented This book provides an in depth analysis of transitional justice process in Nepal Drawing on interviews with a diverse range of stakeholders including victims ex combatants community members human rights advocates journalists and representatives from diplomatic missions international organisations and the donor community it reveals the differing viewpoints knowledge attitudes and preferences about TJ and other post conflict issues in Nepal The author develops an actor typology and an action spectrum which can be used in Nepal and other post conflict contexts The actor typology identifies four main groups of TJ actors experts brokers implementers and victims and highlights who is making claims and on behalf of whom The action spectrum based on contentious politics

literature and resistance literature demonstrates the strategies actors use to shape the TJ process This book argues that the potential of TJ lies in these dynamics of contention It is by letting these dynamics play out that different conceptualisations of TJ can arise While doing so may lead to practical challenges and produce situations that are normatively undesirable for some actors particularly when certain political parties and national actors seem to hijack TJ remaining steadfast to the dominant TJ paradigm is also undesirable As the first book to provide a single case study on TJ in Nepal it makes theoretical and empirical contributions to TJ research in Nepal and the Asia Pacific more broadly the politics versus justice binary and the concept of victimhood among others It will be of interest to a wide range of scholars in the study of transitional justice peace and conflict studies human rights sociology political science criminology law anthropology and South Asian Studies as well as policy makers and NGOs

**Realizing the UN Declaration on the Rights of Indigenous Peoples** Jackie Hartley, Paul Joffe, Jennifer Preston, 2010-05-01 Adopted by the UN General Assembly on 13 September 2007 the United Nations Declaration on the Rights of Indigenous Peoples affirms the minimum standards for the survival dignity and well being of the indigenous peoples of the world The Declaration responds to past and ongoing injustices suffered by Indigenous peoples worldwide and provides a strong foundation for the full recognition of the inherent rights of Indigenous peoples Despite this Canada was one of the few countries to oppose the Declaration With essays from Indigenous leaders legal scholars and practitioners state representatives and representatives from NGOs contributors discuss the creation of the Declaration and how it can be used to advance human rights internationally

**Health Equity, Social Justice and Human Rights** Ann Taket, 2012-05-04 Important links between health and human rights are increasingly recognised and human rights can be viewed as one of the social determinants of health Furthermore a human rights framework provides an excellent foundation for advocacy on health inequalities a value based alternative to views of health as a commodity and the opportunity to move away from public health action being based on charity This text demystifies systems set up for the protection and promotion of human rights globally regionally and nationally It explores the use and usefulness of rights based approaches as an important part of the tool box available to health and welfare professionals and community members working in a variety of settings to improve health and reduce health inequities Global in its scope Health Equity Social Justice and Human Rights presents examples from all regions of the world to illustrate the successful use of human rights approaches in fields such as HIV AIDS improving accessibility to essential drugs reproductive health women s health and improving the health of marginalised and disadvantaged groups Understanding human rights and their interrelationships with health and health equity is essential for public health and health promotion practitioners as well as being important for a wide range of other health and social welfare professionals This text is valuable reading for students practitioners and researchers concerned with combating health inequalities and promoting social justice
