Getting The Gospel Right:

Getting the Gospel Right R. C. Sproul, 1999-10-01 Unity in the gospel is essential to the witness of the church Yet that unity was tested by the release of two documents Evangelicals and Catholics Together and The Gift of Salvation which appeared to surrender the historic doctrine of sola fide faith alone In response Christian leaders released a statement called The Gospel of Jesus Christ An Evangelical Celebration Getting the Gospel Right a companion to Sproul s popular Faith Alone contains the complete text of that statement along with thorough point by point discussion and exposition to make a strong declaration of the abiding unity of evangelicals regarding the gospel and justification by faith alone Getting the Gospel Right - A Balanced View of Salvation Truth Carl Gordon Olson, 2005-11 A revised and abridged edition of Beyond Calvinism and Arminianism An Inductive Mediate Theology of Salvation in Which theologian missiologist Olson gives the fruit of a 25 year theological pilgrimage His inductive focus on Scripture results in a middle view of salvation truth thus resolving polarized extremes This edition is much more readable and accessible for most Christians The exegetical methodology emphasizes context word studies and grammar of all relevant passages with extensive support for eternal security and refutation of deterministic concepts of salvation In the foreword Dr Tim LaHaye refers to the incredible distribution of the academic edition which sold out in 3 years A revised academic edition is forthcoming in 2006 **Getting the Gospel Right** Cornelis P. Venema, 2006 Every generation of Christian believers faces the challenge of proclaiming the gospel of Jesus Christ with integrity and in conformity to the teaching of the Scriptures But what do the Scriptures teach with regard to the central message of the gospel Were the Reformers correct to insist that the good news of God s gracious and free acceptance of guilty sinners on the basis of the obedience and atoning sacrifice of Christ lies at the heart of the gospel Or are we to accept the new perspectives on Paul s teaching which have been advocated in recent years by those who have made a fresh study of the relevant historical sources Since the new perspectives challenge some of the basic features of the traditional Protestant understanding of justification they require careful study and thoughtful evaluation Nothing less than the shape of the evangelical church s proclamation of the gospel today is at stake Patrick Navas, 2006-10-01 In Divine Truth or Human Tradition the author examines the viewpoints and Scripture expositions of prominent evangelical scholars and apologists including popular author and debater Dr James R White author of The Forgotten Trinity John MacArthur President of The Master s Seminary Wayne Grudem author of the widely read Systematic Theology Robert Bowman Jr author of Why You Should Believe in the Trinity Robert Morey Founder of California Biblical University and Seminary and author of The Trinity Evidence and Issues R C Sproul President of Ligonier Ministries Robert L Reymond author of Jesus Divine Messiah and A New Systematic Theology of the Christian Faith and others According to what has long been considered mainstream Christian orthodoxy the doctrine of the Trinity the idea that the one true God is in the ultimate sense a divine being made up of three co equal and co eternal persons is not only central to the Christian faith but absolutely necessary for one to accept in

order to be counted as a true Christian and be saved Such a demand on a Christian's faith has come across as strange and perplexing to many especially so in light of the fact pointed out by one respected Trinitarian The Trinity is not clearly or explicitly taught anywhere in Scripture yet it is widely regarded as a central doctrine indispensable to the Christian faith In this regard it goes contrary to what is virtually an axiom that is a given a self-evident truth of biblical doctrine namely that there is a direct correlation between the scriptural clarity of a doctrine and its cruciality to the faith and life of the church Millard J Erickson *God in Three Persons* p 11 Emphasis added Understandably this fact has raised questions in the minds of Christians and truth seekers alike ever since the doctrine was first decreed as mandatory to confess in the late 4th century Many Christians have wondered How can a doctrine that is no

Gospel Allegiance Matthew W. Bates, 2019-09-17 Is faith in Jesus enough for salvation Perhaps says Matthew Bates but we're missing pieces of the gospel The biblical gospel can never change Yet our understanding of the gospel must change The church needs an allegiance shift Popular pastoral resources on the gospel are causing widespread confusion Bates shows that the biblical gospel is different fuller and more beautiful than we have been led to believe He explains that saving faith doesn't come through trust in Jesus's death on the cross alone but through allegiance to Christ the king There is only one true gospel and one required response allegiance Bates ignited conversation with his successful and influential book *Salvation by Allegiance Alone* Here he goes deeper while making his acclaimed teaching on salvation more accessible and experiential for believers who want to better understand and share the gospel *Gospel Allegiance* includes a guide for further conversation making it ideal for church groups pastors leaders and students

Am I Called? (Foreword by Matt Chandler) Dave Harvey, 2012-03-31 Many men have the skills to lead a church but only some are called Dave Harvey helps men considering pastoral ministry to see God's active role in the process of discerning their calling God's Word offers a clear framework for evaluating one's call especially within

the context of community Harvey offers six diagnostic questions to help prospective pastors process their calling and what they should be doing now if they aren't sure Illustrated with personal and historical stories Harvey explores biblical and practical principles for determining the pastoral call Over the past twenty four years of ministry Harvey has enjoyed assisting many men in discerning whether they are called into ministry This book will guide you through that all important process with wisdom and confidence in God's faithfulness in your life **For Calvinism** Michael Horton,2011-10-25 In an eloquent defense of Calvinist theology author and professor Michael Horton invites us to explore the teachings of Calvinism also commonly known as Reformed theology by showing how it is biblical and Christ centered leading us to live our lives for the glory of God The system of theology known as Calvinism has been immensely influential for the past five hundred years but it is often encountered negatively as a fatalistic belief system that confines human freedom and renders human action and choice irrelevant Taking us beyond the caricatures and typical reactions **For Calvinism** Explores the historical roots of Reformed thought Delivers the essence of Calvinism examining its distinctive characteristics such as election atonement effectual calling and perseverance Encourages us to consider its rich resources for faith and practice in the present age As a companion to Roger Olson's *Against Calvinism* critique and response readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism **The Faith That Saves** Fred Chay,John P. Correia,2012-08-21 Endorsements There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance About the Contributor's Fred Chay Th M Ph D is Professor of Theology and Director of the Doctor of Ministry Program at Phoenix Seminary He is the founder and President of Grace Line Ministry John Correia M Div is a Senior Pastor and Adjunct Professor in Phoenix **Christlike** Bill Hull,2014-02-27 The final court of whether or not you are becoming like Jesus is not attending another church program but how you act in daily life Christlike

aims to change outward actions by inner spiritual growth through uncomplicated obedience in our relationship with God Author Bill Hull uses his experience as a pastor and his background in disciplinemaking and spiritual formation to show how Scripture memory plays an integral role in your discipleship Explore what it means to be a Christian and what your role is in the kingdom of God **Getting at Jesus** Peter S. Williams,2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus *Gospel Deeps* Jared C. Wilson,2012-09-30 While pastoring for the past fifteen years Jared Wilson has become known in contemporary evangelicalism for his passionate gospel centered writing and teaching Following Wilson s well received publication of *Gospel Wakefulness* he writes *Gospel Deeps* as a next step to establishing the need for astonishment which begins by looking at the astonishing things God has done in and through Christ Wilson holds up the gospel like a diamond and examines it facet by facet demonstrating the riches of its implications This book serves as a valuable contribution to the emerging canon of gospel centered literature in the spirit of John Piper s *Pleasures of God* and Tim Keller s emphasis on a robust gospel and continues in the glory reveling legacy left by Jonathan Edwards John Owen and the like The distinctiveness of *Gospel Deeps* is found in Wilson s winsome and frequently ecstatic writing voice as well as his unique approach to showcasing the gospel s beauty **They Were Eyewitnesses** Nancy A. Almodovar,2021-07-23 For many of today s Christians their go to style of proclaiming the faith is to share their own experiences While this may be a stepping stone to the conversation we should not remain on our subjective and unprovable experiences Rather Christians should use the pattern set forth in the New Testament by the apostles and evangelists the gospel of Jesus who died was buried and rose to life on the third day according to the Scriptures In this book the sermons of the apostles and evangelists will be looked into to see how they both proclaimed and defended the Christian faith giving all Christians the pattern to follow in their own opportunities to share the one true faith **Counsel from the Cross** Elyse M. Fitzpatrick,Dennis E. Johnson,2009-06-08 Demonstrates the why and the how of consistently biblical gospel centric counseling whether in the pastor s study or over coffee with a friend With the evermore apparent failure of modern psychotherapies and a discomfort with pharmacological strategies many churches are reaffirming the sufficiency and power of the Scriptures to change lives To aid churches in ministering to broken and hurting people the authors of *Counsel from the Cross* present a counseling model based on Scripture powered by the work of the Wonderful Counselor Jesus Christ Through careful exegesis and helpful case studies they demonstrate the why and the how of consistently biblical gospel centered counseling The authors combined backgrounds one a woman trained in biblical counseling and the other a male professor of practical theology bring balance to this work making it relevant for those who counsel as part of pastoral ministry and for

those involved in friendship mentoring or discipleship They Have Revelation Absolutely Wrong Brother Fred,2014-01-31

The first title I had for this book was GETTING OUT OF HELL Because that is one main point we all were taught still no one Preaches ALL must come out of hell It s in Rev 20 13 and is plainly written Pastors don t preach it because they can t explain the Lake of Fire that most go to from Hell Some of those getting out of hell at the 2nd Resurrection will go to the New Earth That s why the Book of Life is open AGAIN at the 2nd Res Rev 20 15 Then who really burns forever ever in the Lake of Fire Again not ALL Rev 14 9 11 says ONLY those who do 3 specific things will be tormented for ever All who ever lived on earth who do not do THOSE 3 things will eventually receive the 2nd death after they have paid for all all all their sins on earth Even idle words That s why the Lake is called the second death also Then I got to thinking of all the other things they got wrong that are JUST as important decided to just call the book ABSOLUTELY WRONG I ask readers to please check this book with any book on Rev by any Denomination or Scholar compare them with that Holy Spirit that indwells all Christians I say over over in this book they must learn to know His leading stop believing everything they hear from the pulpit If the blind leaders lead the blind followers BOTH fall into the ditch of hell There is a New Earth but no Pastor seems to know exactly who gets it I show you this One last thing is the so called Tribulation Saints are NOT anyone who is saved DURING the Tribulation No one can who did not accept Christ can be saved after the Great Trib starts They are 2 tribulations anyway The first we ALL go into In this book you will know for sure who the 2 Witnesses are Christians can never ask a non Christian who has followed Hindu Islam etc to check their teaching they have followed 1 000 s of years when they won t re check their denominational one they followed a few 100 years There are 2 places to spend eternal life One is in Heaven with a Spiritual body The other is on the New Earth with a new physical body You will KNOW who gets which why Jesus only Preached Heaven because we all can make Heaven IF we get the Gospel right *Confessions of a Wanna-Be Megachurch Pastor: I was wrong about the Seeker-Sensitive Movement , Comfort and Strength in the Time of Need* Billy Bedford,2022-02-13

Statistics on church growth reveal some startling facts Overall church attendance in America is declining The number of those who claim they are done with churches is growing Those who list none as religious affiliation are increasing After COVID 19 some are

reluctant to return to church services in buildings What if you had a way to make disciples for Jesus in your neighborhood Is there a way to reach those who have left the churches or who will not go back to a church building Yes Making Disciples Through Home Assemblies can show you how The book is based on the biblical patterns of the first century disciples who were highly effective in disciple making in obedience to Jesus command to make disciples and be His witnesses Matthew 28 18 20 and Acts 1 8 Studying Acts and other New Testament verses the authors show that those disciples believed that making disciples and growing the Kingdom of God was the number one priority The authors also show that individuals met in homes in the absence of church buildings and that any believer can become a disciple maker for Jesus Making Disciples Through Home Assemblies contains biblical rationale for home assemblies material that can be used for training yourself and others to lead a home assembly and the biblically based study guide for your home assembly meetings is included The material in this book has been extensively tested for over two years with audiences of diverse ages and many individuals have been successful in creating their own home assemblies and making disciples for Jesus across the United States Now you too can start a home assembly and teach others how to become disciples for Jesus *Conversion and Discipleship* Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow *Evangelical Theology, Second Edition* Michael F. Bird, 2020-10-20 Gospel Centered Theology for Today Evangelical Theology Second Edition helps today's readers understand and practice the doctrines of the Christian faith by presenting a gospel centered theology that is accessible rigorous and balanced According to author Michael Bird the gospel is the fulcrum of Christian doctrine the gospel is where God meets us and where we introduce the world to God And as such an authentically evangelical theology is the working out of the gospel in the various doctrines of Christian theology The text helps readers learn the essentials of Christian theology through several key features including A What to Take Home section at end of every part that gives readers a run down on all the important things they need to know Tables sidebars and questions for discussion to help reinforce key ideas and concepts A Comic Belief section since reading theology can often be dry and cerebral so that readers

enjoy their learning experience through some theological humor added for good measure Now in its second edition Evangelical Theology has proven itself in classrooms around the world as a resource that helps readers not only understand the vital doctrines of Christian theology but one that shows them how the gospel should shape how they think pray preach teach and minister in the world
